Reliance on third party information

This document contains information that has been derived from publicly available sources that have not been independently verified. No representation or warranty is made as to the accuracy, completeness or reliability of such information. This presentation should not be relied upon as a recommendation or forecast by BHP Billiton.

Forward looking statements

This document may contain, in addition to historical information, certain forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "expected", "scheduled", "estimates", "intends", "anticipates", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. Such forward-looking statements are subject to known and unknown risks, uncertainties and other factors that could cause actual results, performance or achievements of the Offeror and BHP Billiton to differ materially from any future results, performance or achievements expressed or implied by such forward-looking statements, including the risk that all conditions of the Offer will not be satisfied. Many of these risks and uncertainties relate to factors that are beyond BHP Billiton's ability to control or estimate precisely, such as future market conditions, changes in regulatory environment and the behaviour of other market participants. For more detail on those risks, you should refer to the sections of our annual report on Form 20-F for the year ended 30 June 2010 entitled "Risk factors", "Forward looking statements" and "Operating and financial review and prospects" filed with the U.S. Securities and Exchange Commission. BHP Billiton cannot give any assurance that such forward-looking statements will prove to have been correct. The reader is cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this document. BHP Billiton disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.

No offer of securities

Nothing in this release should be construed as either an offer to sell or a solicitation of an offer to buy or sell BHP Billiton securities in any jurisdiction.

Non-GAAP financial information

BHP Billiton results are reported under International Financial Reporting Standards (IFRS). References to Underlying EBIT and EBITDA in BHP Billiton's financial information exclude any exceptional items. A reconciliation between Underlying EBIT and Profit from Operations is contained within the profit announcement, available at BHP Billiton's website www.bhpbilliton.com.

Our contribution to a developing world

Annual General Meeting BHP Billiton Limited

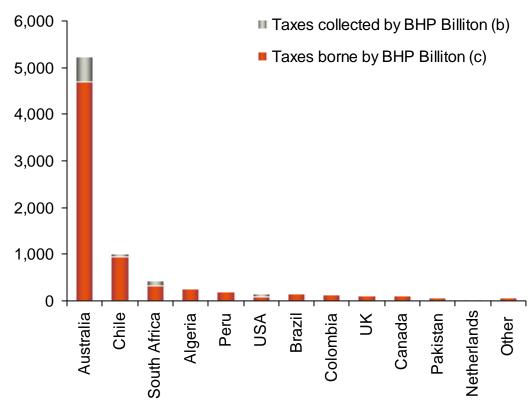

Taxes and royalties payments

- \$7.1 billion paid in company taxes
- \$850 million in taxes collected on behalf of our employees

⁽a) The Group claims refunds of transaction taxes paid to suppliers for in-country purchases of goods, services and eligible fuel and also collects GST/VAT in respect of certain sales to customers. These amounts are not included in taxes borne or taxes collected as set out in the table.

⁽b) Primarily comprises income tax and royalty related taxes paid, royalties paid in kind and production based royalties accrued.

⁽c) Where the payroll calendar year is different to the Group's financial year, the most recent annual data has been used.

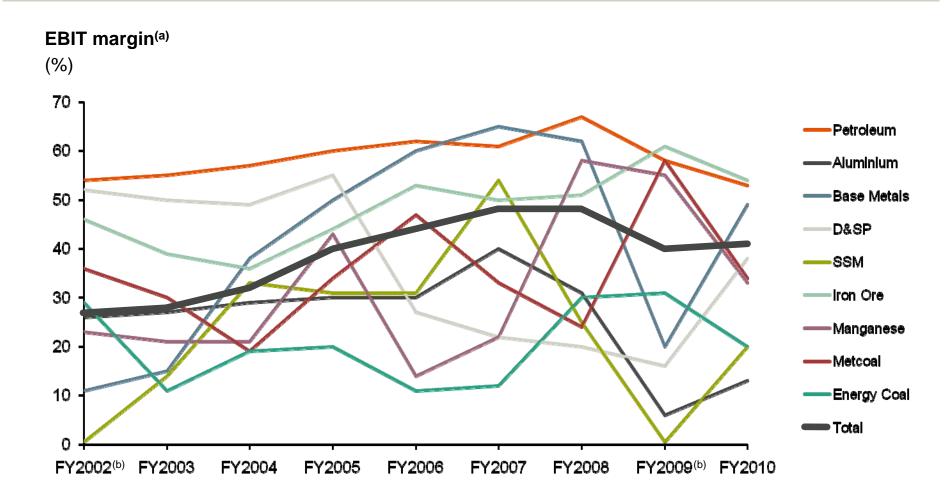

Annual General Meeting BHP Billiton Limited

Diversification delivers healthy margins despite significant volatility

⁽a) Calculated on the basis of UKGAAP for periods prior to FY05, except for the exclusion of PRRT from Petroleum and BHP Billiton Group results for all periods. All periods exclude third party trading activities.

⁽b) Negative margins are not shown as the y-axis is set at zero. SSM had a negative EBIT margin in FY2002 and FY2009.

 - -Item 14: Amendments to the Long Term Incentive Plan

Key findings of LTIP review

Plan remains robust

1. Keep the 5 year performance period

consistent with our business cycle

2. Highly geared

- potential for extended 'all or nothing' outcomes
- not aligned with our lower-risk / diversified strategy

Proposed LTIP amendments

Review findings	Proposed LTIP amendments
1. Highly geared	 Introduce 25% vesting where performance equals comparator group average
2. Comparator groups	 Allow for more than one comparator group Amend 'Median TSR' to enable TSR to be calculated for multiple comparator groups
Composition of sector comparator group	 Expand sector comparator group to include major oil and gas companies (no LTIP rule change required)
