Location of the Annual General Meeting

Tuesday, 16 November 2010 – 10.30am

Perth Convention Exhibition Centre
21 Mounts Bay Road,
Perth, Western Australia, Australia

The Perth Convention Exhibition Centre is situated in the heart of Perth, within walking distance of the city's major hotels, business restaurant and retail districts and offers a range of transport options.

The city's international and domestic airport is a 30 minute taxi ride from the Perth Convention Exhibition Centre.

Transport options

Bus Services

The Esplanade Busport is located adjacent to the Perth Convention Exhibition Centre and bus services to all suburbs of Perth are frequent. There is also a free Central Area Transit (CAT) bus service that runs through the City of Perth Central Business District. Bus timetables and further information can be found at www.transperth.wa.gov.au.

Ferry

Ferries operate from the Barrack Street jetty in Perth to the South Perth foreshore. The Barrack Street jetty is a five-minute walk from the Perth Convention Exhibition Centre. Ferry timetables and further information can be found at www.transperth.wa.gov.au.

Taxi

There are taxi ranks near the Perth Convention Exhibition Centre and taxis can also be hailed from the street. Taxis can drop off guests in a 'drop-off zone' in the Convention Exhibition Centre arrival plaza. Taxi companies in the Perth and surrounding areas include Black and White Taxis – (phone 13 10 08 within Australia) and Swan Taxis (phone 13 13 30 within Western Australia).

Trains

The Esplanade train station on the Perth to Mandurah line is next to the Perth Convention Exhibition Centre, with trains running regularly. Train timetables and further information can be found at www.transperth.wa.gov.au.

Car

The City of Perth owns and operates the Perth Convention Exhibition Centre Car Park. The Convention Exhibition Centre Car Park can fill quickly and alternatives are available (see the map above). Entry is from Mounts Bay Road and parking costs approximately A\$26.00 for up to six hours.

In this Notice, BHP Billiton Limited refers to the company listed on the Australian Securities Exchange and BHP Billiton Plc refers to the company listed on the London Stock Exchange. Each is a member of the BHP Billiton Group, which is headquartered in Australia.

Invitation from the Chairman

7 September 2010

Dear Shareholder(s)

It is with great pleasure that I invite you to the Company's 2010 Annual General Meeting and enclose your Notice of Meeting. This year, the meeting will be held on Tuesday, 16 November 2010 at 10.30am (Perth time) at the Perth Convention Exhibition Centre, 21 Mounts Bay Road, Perth, Western Australia, Australia.

The AGM is an important event on the BHP Billiton calendar. It provides an update for investors on performance for the financial year and offers an opportunity for you to ask questions and vote on the items of business. A key part of our approach to governance is to ensure that shareholders' views are heard and understood. The Annual General Meeting provides an important forum to do this. My predecessor, Don Argus, introduced leading corporate governance practices and an active approach to shareholder engagement and our ongoing approach to governance remains unchanged.

I am pleased to report that in a difficult global economic and financial environment, BHP Billiton continued to perform well and strengthened its strategic and financial position. While the global economic outlook has improved, the recovery remains fragile. Despite a near-term slowing in China, we continue to believe that the fundamentals driving Asian growth are robust. It is clear to the Board that the long-term outlook for BHP Billiton is strong. We have unique assets that are critical to the growth of the world's developing economies, and a geographic and commodity spread that reduces risk and optimises opportunity.

Significant Board renewal activities have been undertaken during the year. Two new non-executive Directors, Malcolm Broomhead and Carolyn Hewson were appointed to the Board from 31 March 2010. Paul Anderson, Gail de Planque, David Jenkins and David Morgan retired from the Board and we thank each of them for their valuable contribution. In addition, Don Argus retired as Chairman and I had the privilege of being appointed your Chairman in late March.

You will see from your Notice of Meeting that this year your Board is recommending the re-election of five Directors: John Buchanan, David Crawford, Keith Rumble, John Schubert and myself. All of these Directors have been subject to an externally facilitated performance appraisal, and the Board considers that they will continue to make a valuable contribution. Your Board is also recommending the election of Malcolm Broomhead and Carolyn Hewson. Malcolm brings global experience with industrial and mining companies and Carolyn brings deep financial markets, risk management and investment management expertise. We are very pleased that they have both agreed to join us.

After a review of the Group's Long Term Incentive Plan (LTIP) by the Remuneration Committee, we are also proposing refinements to better align the LTIP to the Group's strategy and the markets in which we operate. In addition, we are proposing changes to BHP Billiton Limited's Constitution and BHP Billiton Plc's Articles of Association predominantly to reflect company law changes in the UK. Many of the remaining items of business set out in the Notice of Meeting will be familiar to you.

I invite you to join us at the Annual General Meeting and encourage you to take advantage of this opportunity to talk with the Directors and the senior management team.

For those of you who are unable to attend the meeting, a question form is attached to your proxy form. We will post the most frequently asked questions on our website, together with the answers and we will also address as many questions as possible during the meeting.

If you are not able to attend the meeting to vote in person, please complete the enclosed proxy form and return it to us by mail or fax. Alternatively, you may register your proxy appointment and voting instruction electronically via the internet. **The Board recommends that you vote in favour of all the items of business.**

I look forward to meeting as many of you as possible in the future.

Yours sincerely

Jacques Nasser
Chairman AO

Notice of Meeting

This Notice of Meeting contains practical information on how to participate in the 2010 Annual General Meeting, as well as explanatory information on the items of business proposed for the 2010 Annual General Meeting (see pages 14 to 22).

Annual Report and Summary Review 2010

Information for BHP Billiton Limited and BHP Billiton Plc shareholders is provided in the BHP Billiton Group Annual Report 2010 and the Summary Review 2010.

The Annual Report provides the detailed financial data and information on the Group's performance as required to comply with reporting regimes in Australia and the UK. In addition, the Group's Form 20-F is filed with the Securities and Exchange Commission in the US, in order to meet specific US requirements.

BHP Billiton also issues a Summary Review. Although the Summary Review is not a substitute for reading the Annual Report, it provides an overview and summary of the Group's progress in 2010.

Access the Annual Report and Summary Review online

The majority of shareholders are notified by mail or email when the Annual Report and Summary Review are available on the Group's website (unless they have elected to receive a hard copy). The Annual Report and Summary Review are available at www.bhpbilliton.com or by calling the Share Registry on 1300 656 780 (from within Australia) or +61 3 9415 4020 (from elsewhere) to request a hard copy.

If you would like further information or would like to change your previous election, please call the numbers mentioned above.

The Group's website

You can also find further information in relation to BHP Billiton at www.bhpbilliton.com. The website contains all the key publications and reports, information on BHP Billiton's Customer Sector Groups, as well as speeches and presentations made to investors and the financial community by the Chief Executive Officer and other senior employees. You can also find copies of announcements and media releases made by the Group.

Items of Business

Please join the Chairman, the Directors and senior executives of BHP Billiton for refreshments after the Annual General Meeting.

How to participate in the Annual General Meeting

The Annual General Meeting is an important event on the BHP Billiton calendar.

Your participation is important. We want to hear the views of our shareholders as well as understand your opinions.

Important information on how you can participate in the Annual General Meeting is set out below.

Registration

The Annual General Meeting is a meeting of shareholders and their representatives and registration and an admission card is required to enter the meeting. Registration desks will be located in the foyer.

At the discretion of the Company and subject to sufficient capacity, one guest may accompany each shareholder, provided that the shareholder and their guest register at the same time.

Similarly, at the discretion of the Company and subject to capacity, visitors will be allowed to enter the meeting; however, all visitors must also register before entering the meeting room.

Discussion and asking questions

Discussion will take place on all the items of business set out in this Notice of Meeting. You can find the items of business on pages 11 to 13. BHP Billiton publishes a range of information to inform shareholders, such as the Annual Report, the Summary Review and this Notice of Meeting. Each of those documents may assist in answering any queries you have. The explanatory material set out in this Notice of Meeting also provides further information in relation to the items of business for the Annual General Meeting.

Shareholders will also have the opportunity to ask questions at the Annual General Meeting (including an opportunity to ask questions of the auditor). To ensure that as many shareholders as possible have the opportunity to speak, we ask you to observe the following courtesies:

- ▶ It would be appreciated if questions are kept as short as possible and, during the items of business, are relevant to the business being discussed. Shareholders will have an opportunity to ask broader questions during the time allocated for general questions.
- ▶ Speakers are requested to restrict themselves to two questions or comments initially. Others may have waited for some time to speak. If time permits, anyone wishing to speak more than once will be given a subsequent opportunity.

Shareholders who are unable to attend the meeting or who may prefer to register questions in advance are invited to do so using the question form included with your proxy form (also available at www.bhpbilliton.com). We will post the most frequently asked questions on the website, together with answers. A shareholder information stand will also be available in the foyer at the meeting. In addition, many Board members and senior executives will be available in the foyer area after the meeting.

Discussion will take place on each resolution, prior to shareholders being asked to vote. Further information on voting is provided on the next page.

Webcast and photography

We have arranged for the Annual General Meeting to be filmed and broadcast to shareholders via a webcast which can be viewed at www.bhpbilliton.com. You can also watch an edited recording of the Annual General Meeting after the meeting at www.bhpbilliton.com.

The live broadcast may include the question and answer sessions with shareholders, as well as background shots of those present at the meeting. We have arranged for photographs to be taken at the meeting and our intention is to use these photographs in future BHP Billiton publications. If you attend the Annual General Meeting in person, you may be included in photographs or the webcast recording.

For the safety and security of all those present at the meeting, cameras and recording devices are not permitted. Upon entry to the meeting room, you will be asked to present your bag for a security search.

How to Vote

Your vote is important. By voting, you are involved in the future of BHP Billiton.

Shareholders can vote by:

- ▶ *attending the meeting and voting in person; or*
- ▶ *appointing an attorney or, in the case of corporate shareholders, a corporate representative to attend and vote; or*
- ▶ *appointing a proxy to attend and vote on their behalf, using the proxy form accompanying this Notice of Meeting or by submitting their proxy appointment and voting instructions using one of the methods listed on page 10.*

Voting arrangements under the Dual Listed Companies structure

Because BHP Billiton Limited and BHP Billiton Plc have retained their status as separate companies, two Annual General Meetings will be held – that of BHP Billiton Plc in London on Thursday, 21 October 2010 and that of BHP Billiton Limited in Perth on Tuesday, 16 November 2010.

The merger agreements between the two companies allow shareholders of both companies jointly to make decisions on significant matters.

Where a significant matter affects the shareholders of each company in similar ways it is called a joint electorate matter.

At the Annual General Meetings, all items of business are joint electorate matters.

The process that allows both sets of shareholders to vote on joint electorate matters is called a joint electorate action.

Voting on joint electorate actions works as follows:

- ▶ if you vote at the meeting of BHP Billiton Limited (whether in person, by representative, by attorney or by proxy) an equivalent vote will be cast on the corresponding resolution for BHP Billiton Plc;
- ▶ shareholders of BHP Billiton Plc who vote on the corresponding resolution proposed at their Annual General Meeting will have those votes treated as though they were also cast at the meeting of BHP Billiton Limited; and
- ▶ a resolution will only be passed if the votes cast in favour (after the votes of shareholders of both companies are added together) represent a majority of the votes cast (in the case of an ordinary resolution), or represent at least 75 per cent of the votes cast (in the case of a special resolution).

Voting in person (or by attorney or representative)

You must register to vote at the Annual General Meeting.

Shareholders, their attorneys or representatives who plan to attend the meeting are asked to arrive at the venue 30 minutes prior to the time designated for the meeting, if possible, so that their holding may be checked against the BHP Billiton Share Register and attendances recorded. Attorneys should bring with them an original or certified copy of the power of attorney under which they have been authorised to attend and vote at the meeting.

A shareholder that is a corporation may appoint an individual to act as its representative and to vote in person at the meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the meeting evidence of his or her appointment, including any authority under which it is signed, unless previously given to the BHP Billiton Share Registry.

Shareholders who attend in person (or their attorneys or representatives) will be given a voting paper on the back of their green entry card. Shareholders will be asked to vote by marking their voting paper. Voting papers can be deposited in the ballot boxes, which will be located by the exit doors. The Chairman will declare the poll open during the meeting to assist those shareholders unable to stay for the whole meeting and the poll will close shortly after the end of the meeting.

How to Vote continued

Voting by proxy

Appointing a proxy

- ▶ A proxy form accompanies this Notice.
- ▶ A shareholder entitled to attend and vote is entitled to appoint up to two proxies. Each proxy will have the right to vote on a poll and also to speak at the meeting. Further proxy forms are available by contacting the Share Registry.
- ▶ The appointment of a proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies (i.e. where there are two proxies, each proxy may exercise half the votes).
- ▶ A proxy need not be a shareholder.
- ▶ The proxy can be either an individual or a body corporate.
- ▶ If a proxy is not directed how to vote on an item of business, the proxy may vote or abstain from voting on that resolution as they think fit.
- ▶ Should any resolution other than those specified in this Notice, be proposed at the meeting, a proxy may vote on that resolution as they think fit.
- ▶ If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the shareholder's behalf on the poll and the shares that are the subject of the proxy appointment will not be counted in calculating the required majority.
- ▶ Shareholders who return their proxy forms with a direction on how to vote but do not nominate the identity of their proxy will be taken to have appointed the Chairman of the meeting as their proxy to vote on their behalf. If a proxy form is returned but the nominated proxy does not attend the meeting, the Chairman of the meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chairman of the meeting, the secretary or any Director that do not contain a direction on how to vote will be used where possible to support each of the resolutions proposed in this Notice.

Lodging proxy appointments

- ▶ To be effective, proxies must be lodged by 1.30pm (Melbourne time, 10.30am Perth time) on Sunday, 14 November 2010. Proxies lodged after this time will be invalid.

- ▶ Proxies may be lodged using any of the following methods:
 - by returning a completed proxy form in person or by post using the pre-addressed envelope provided with this Notice to:
BHP Billiton Share Registry
Computershare Investor Services Pty Limited
Yarra Falls, 452 Johnston Street, Abbotsford VIC 3067
PO Box 782, Melbourne VIC 3001 Australia
 - or by returning a completed proxy form in person or by post to:
The Registered Office
BHP Billiton Limited
Level 27, 180 Lonsdale Street,
Melbourne VIC 3000 Australia;
 - by faxing a completed proxy form to 1800 783 447 (within Australia) +61 3 9473 2555 (outside Australia);
 - by recording the proxy appointment and voting instructions via the internet at www.bhpbilliton.com. Only registered BHP Billiton shareholders may access this facility and will need their Holder Identification Number (HIN) or Securityholder Reference Number (SRN); or
 - for Intermediary Online users only (custodians) www.intermediaryonline.com.
- ▶ The proxy form must be signed by the shareholder or the shareholder's attorney.
- ▶ Proxies given by corporations must be executed in accordance with the Corporations Act.
- ▶ Where the appointment of a proxy is signed by the appointor's attorney, a certified copy of the power of attorney, or the power itself, must be received by BHP Billiton Limited or its Share Registry, Computershare Investor Services Pty Limited at either of the above addresses, or by facsimile, and by 1.30pm (Melbourne time, 10.30am Perth time) on Sunday, 14 November 2010. If facsimile transmission is used, the power of attorney must be certified.

Shareholders who are entitled to vote

In accordance with Regulations 7.11.37 and 7.11.38 of the Corporations Regulations 2001, the Board has determined that a person's entitlement to vote at the Annual General Meeting will be the entitlement of that person set out in the Register of Shareholders as at 1.30pm (Melbourne time, 10.30am Perth time) on Sunday, 14 November 2010. Share transfers registered after that time will be disregarded in determining entitlements to vote at the Annual General Meeting.

Results of the Annual General Meeting

Votes that are cast at the meeting will be added to the votes cast at the Annual General Meeting of BHP Billiton Plc held in London on Thursday, 21 October 2010 to ensure that the shareholders of BHP Billiton Limited have their votes counted at the BHP Billiton Plc Annual General Meeting and vice versa.

Therefore, the results of each resolution cannot be finalised until after both meetings are concluded. Voting results (including the relevant proxy votes) will be announced to the stock exchanges and made available on our website as soon as the poll is finalised after the BHP Billiton Limited meeting.

Notice of Annual General Meeting

Notice is given that the 2010 Annual General Meeting of shareholders of BHP Billiton Limited will be held at the Perth Convention Exhibition Centre, 21 Mounts Bay Road, Perth, Western Australia, on Tuesday, 16 November 2010 at 10.30am (Perth time) for the purpose of transacting the following business.

Items of Business

'That the grant of Deferred Shares and Options under the BHP Billiton Limited Group Incentive Scheme and the grant of Performance Shares under the BHP Billiton Limited Long Term Incentive Plan to executive Director, Mr Marius Kloppers, in the manner set out in the Explanatory Notes to this Notice of Meeting be approved.'

Each of BHP Billiton Limited and BHP Billiton Plc will disregard any vote cast on Item 15 by Mr Marius Kloppers or any of his associates, unless the vote is cast as proxy for a person entitled to vote in accordance with a direction on the proxy form or unless the vote is cast by a person chairing the meeting as proxy for a person who is entitled to vote in accordance with a direction on the proxy form to vote as the proxy decides. Note that if Item 14 is approved, grants of Performance Shares will be made under the Long Term Incentive Plan, as amended. Further information is provided in the Explanatory Notes.

**Amendments to the Constitution of BHP Billiton Limited
and the Articles of Association of BHP Billiton Plc**

Item 16

To consider and, if thought fit, pass the following resolution as a special resolution:

'That the Constitution of BHP Billiton Limited be amended, with effect from the close of the 2010 Annual General Meeting of BHP Billiton Limited, in the manner outlined in the Explanatory Notes (and Appendix 2) to this Notice of Meeting and set out in the amended Constitution tabled by the Chair of the meeting and signed for the purposes of identification.'

Item 17

To consider and, if thought fit, pass the following resolution as a special resolution:

'That the Articles of Association of BHP Billiton Plc (including certain provisions of the Memorandum of Association deemed by the United Kingdom Companies Act 2006 to be incorporated into the Articles of Association) be amended, with effect from the close of the 2010 Annual General Meeting of BHP Billiton Limited, in the manner outlined in the Explanatory Notes (and Appendix 2) to this Notice of Meeting and set out in the amended Articles of Association and the amended Memorandum of Association tabled by the Chair of the meeting and signed for the purposes of identification.'

Business

Explanatory notes on the items of business to be considered at the meeting follow.

Item 1

Financial statements and reports

The law in Australia and England requires Directors to lay before the meeting of shareholders the financial report (or statements), the Directors' Report, the Auditor's Report and the Remuneration Report for the year.

In accordance with the BHP Billiton Group's approach to corporate governance, shareholders in each of BHP Billiton Limited and BHP Billiton Plc are being asked to receive the reports and accounts of both companies. Shareholders who elected to do so will have received a hard copy of the BHP Billiton Group Annual Report or Summary Review.

In the interests of simplicity, one resolution is proposed in respect of the reports and accounts for both BHP Billiton Limited and BHP Billiton Plc, as the accounts for the Group as a whole are presented in the BHP Billiton Group Annual Report. In addition, the voting procedure explained on pages 9 to 10 ensures that both BHP Billiton Limited shareholders and BHP Billiton Plc shareholders can vote on the reports and accounts.

The BHP Billiton Group Annual Report and Summary Review are available on the website at www.bhpbilliton.com. Alternatively, shareholders can request hard copies by telephoning the Share Registry on 1300 656 780 (from within Australia) or +61 3 9415 4020 (from elsewhere).

Receiving the accounts is considered a significant matter and is therefore a joint electorate action (see pages 9 to 10 on voting arrangements for further explanation). It is proposed as an ordinary resolution.

Items 2 to 8

Election of Directors

The Boards of BHP Billiton Limited and BHP Billiton Plc must be identical and operate as one. In the interests of simplicity, one resolution is proposed in respect of the election of each Director to both the Board of BHP Billiton Limited and to the Board of BHP Billiton Plc. The voting procedure explained on pages 9 to 10 ensures that both BHP Billiton Limited

shareholders and BHP Billiton Plc shareholders vote on the election of Directors. Mr Malcolm Broomhead and Ms Carolyn Hewson are seeking election by shareholders to both Boards ('the Board'), having each been appointed a Director since the 2009 Annual General Meetings. Dr John Buchanan, Mr Keith Rumble and Mr Jacques Nasser are retiring from the Board by rotation and it is proposed that they be reappointed.

In accordance with the UK Combined Code on Corporate Governance (which was re-named the UK Corporate Governance Code in June 2010) and the Board's own policy on non-executive Directors who have served on the Board for nine or more years, Mr David Crawford and Dr John Schubert are retiring from the Board and it is proposed that they be reappointed.

The Nomination Committee of the Board oversaw a review of the performance of each of the retiring non-executive Directors, Dr John Buchanan, Mr David Crawford, Mr Keith Rumble, Dr John Schubert and Mr Jacques Nasser. The performance assessment was designed to assess the effectiveness of each of the non-executive Directors. The Committee has also reviewed the skills, knowledge and experience represented on the Board. On the basis of those reviews, the Board recommends to shareholders the re-election of the retiring Directors and the election of Mr Malcolm Broomhead and Ms Carolyn Hewson.

Mr Malcolm Broomhead and Ms Carolyn Hewson and each of the retiring non-executive Directors are considered by the Board to be independent in character and judgement and free from any business or other relationship that could materially interfere with the exercise of their objective, unfettered or independent judgement. The Annual Report contains further information on the independence of Directors in section 5.3.5 of the Corporate Governance Statement.

The election and re-election of Directors to the Board is considered a significant matter and is therefore a joint electorate action.

The resolutions to appoint these Directors are proposed separately as ordinary resolutions.

The biographical details, skills and experience of each of the Directors standing for election are set out below and in section 4.1 of the Annual Report.

Item 2

John Buchanan BSc, MSc (Hons 1), PhD, 67

John Buchanan has broad international business experience gained in large and complex international businesses. He has substantial experience in the petroleum industry and knowledge of the international investor community. He has held various leadership roles in strategic, financial, operational and marketing positions, including executive experience in different countries. He is a former executive director and Group CFO of BP, Treasurer and Chief Executive of BP Finance and Chief Operating Officer of BP Chemicals. He has been a Director of BHP Billiton Limited and BHP Billiton Plc since February 2003. He is the Chairman of Smith & Nephew Plc, the Senior Independent Director and Deputy Chairman of Vodafone Group Plc and a former director of AstraZeneca Plc and of Boots Plc. He is Chairman of the International Chamber of Commerce (UK). He is the Senior Independent Director of BHP Billiton Plc, the Chairman of BHP Billiton's Remuneration Committee and a member of the Nomination Committee.

The Nomination Committee, in the absence of Dr Buchanan, oversaw a review of Dr Buchanan's performance as a Director of the Group. All Directors contributed to that review. On the basis of that review, the Nomination Committee recommended and the Board endorsed Dr Buchanan as a candidate for re-election.

The Board recommends the re-election of Dr Buchanan.

Item 3

David Crawford AO, BComm, LLB, FCA, FCPA, FAICD, 66

David Crawford has extensive experience in risk management and business reorganisation. He has acted as a consultant, scheme manager, receiver and manager and liquidator to very large and complex groups of companies. He was appointed a Director of BHP Limited in May 1994 and a Director of BHP Billiton Limited and BHP Billiton Plc in June 2001. He is Chairman of the Risk and Audit Committee.

Mr Crawford was previously Australian National Chairman of KPMG, Chartered Accountants. The Board has nominated Mr Crawford as the 'audit committee financial expert' for the purposes of the US Securities and Exchange Commission Rules and is satisfied that he has recent and relevant financial experience for the purposes of the UK Financial Services Authority's Disclosure and Transparency Rules and the UK Corporate Governance Code. He is Chairman of Lend Lease Corporation Limited and Foster's Group Limited and a former director of Westpac Banking Corporation.

The Nomination Committee oversaw a review of Mr Crawford's performance as a Director of the Group. All Directors contributed to that review. On the basis of that review, the Nomination Committee recommended and the Board endorsed Mr Crawford as a candidate for re-election.

In recommending the re-election of Mr Crawford, the Nomination Committee and the Board took into account Mr Crawford's tenure. As Mr Crawford has served on the Board for more than nine years, under the Board's policy he is required to seek re-election at each Annual General Meeting for the remainder of his tenure. The Board also took into account Mr Crawford's former association with KPMG, details of which are set out in section 5.3.5 of the Corporate Governance Statement, which forms part of the Annual Report.

The Board is satisfied that neither Mr Crawford's tenure nor his previous association with KPMG have in any way compromised his ability to effectively discharge his obligations as a non-executive Director nor impaired his independence of character and judgement. The Board believes that he makes an outstanding contribution to the work of both the Board and the Risk and Audit Committee.

The succession planning process for Mr Crawford's role as Chairman of the Risk and Audit Committee continues and the Board expects to be in a position to make an announcement later in FY2011. Mr Crawford is standing for re-election with a view to retiring as Risk and Audit Committee Chairman in 2011, when succession planning and transition is complete. This approach is designed to facilitate an orderly succession and transition for the role of Chairman of the Risk and Audit Committee, which the Board strongly believes is in the best interests of the Group and its shareholders.

The Board recommends the re-election of Mr Crawford.

Item 4

Keith Rumble BSc, MSc (Geology), 56

Keith Rumble was previously the CEO of SUN Mining, a wholly owned entity of the SUN Group, which is a principal investor and private equity fund manager in Russia, India and other emerging and transforming markets. Mr Rumble has over 30 years' experience in the mining industry, specifically in titanium and platinum markets. Prior to SUN Mining, he spent six years as Chief Executive Officer of Impala Platinum, a significant global platinum and platinum group materials producer, based in South Africa. Prior to that, Mr Rumble was CEO of Rio Tinto Iron and Titanium Inc in Canada, having earlier held managerial positions (ultimately Managing Director) at Richards Bay Minerals. He has been a Director of BHP Billiton Limited and BHP Billiton Plc since September 2008 and is a member of the Group's Sustainability Committee.

Mr Rumble is a director of The Aveng Group, serves on the Board of Governors of Rhodes University and is a trustee of the World Wildlife Fund (South Africa).

The Nomination Committee oversaw a review of Mr Rumble's performance as a Director of the Group. All Directors contributed to that review. On the basis of that review, the Nomination Committee recommended and the Board endorsed Mr Rumble as a candidate for re-election.

The Board recommends the re-election of Mr Rumble.

Item 5

John Schubert BCh Eng, PhD (Chem Eng), FIE Aust FTSE, 67

John Schubert has considerable experience in the international oil industry, including at CEO level. He has had executive mining and financial responsibilities and was CEO of Pioneer International Limited for six years, where he operated in the building materials industry in 16 countries. He has experience in mergers, acquisitions and divestments, project analysis and management. He was previously Chairman and Managing Director of Esso Australia Limited and President of the Business Council of Australia. He was appointed a Director of BHP Limited in June 2000 and a Director of BHP Billiton Limited and BHP Billiton Plc in June 2001. He is a director of Qantas Airways Limited and Chairman of G2 Therapies Limited. He is the former Chairman of Commonwealth Bank of Australia and Worley Parsons Limited and a former director of Hanson Plc. Dr Schubert is Chairman of the Sustainability Committee and a member of the Nomination Committee and the Remuneration Committee.

The Nomination Committee, in the absence of Dr Schubert, oversaw a review of Dr Schubert's performance as a Director of the Group. All Directors contributed to that review. On the basis of that review, the Nomination Committee recommended and the Board endorsed Dr Schubert as a candidate for election.

In recommending the re-election of Dr Schubert, the Nomination Committee and the Board took into account Dr Schubert's tenure. Dr Schubert has served on the Board for more than nine years and therefore in accordance with the UK Corporate Governance Code, he will seek re-election at each Annual General Meeting for the remainder of his tenure.

The Board is satisfied that Dr Schubert's tenure has not in any way compromised his ability to effectively discharge his obligations as a non-executive Director nor has it impaired his independence of character and judgement. The Board believes that he makes an outstanding contribution to the work of both the Board and its Committees.

The Board recommends the re-election of Dr Schubert.

Item 6

Jacques Nasser AO, BBus, Hon DT, 62

Following a 33 year career with Ford in various leadership positions in Europe, Asia, South America and the US, Jacques Nasser served as a member of the Board of Directors and as President and Chief Executive Officer of Ford Motor Company from 1998 to 2001. He has more than 30 years' experience in large-scale global businesses. He has been a Director of BHP Billiton Plc and BHP Billiton Limited since June 2006. He is a non-executive advisory partner of One Equity Partners 'JPMorgan Chase & Co's Private Equity Business', a director of British Sky Broadcasting Plc and a member of the International Advisory Council of Allianz Aktiengesellschaft. He is a former director of Brambles Limited. Mr Nasser is Chairman of the Nomination Committee and a former member of the Group's Risk and Audit Committee.

The Nomination Committee, in the absence of Mr Nasser, oversaw a review of Mr Nasser's performance as a Director of the Group. All Directors contributed to that review. On the basis of that review, the Nomination Committee recommended and the Board endorsed Mr Nasser as a candidate for re-election.

The Board recommends the re-election of Mr Nasser.

Item 7

Malcolm Broomhead MBA, BE, FIE (Aus), FAusIMM, FAIM, MICE (UK), FAICD, 58

Malcolm Broomhead has extensive experience in running industrial and mining companies with a global footprint and broad global experience in project development in many of the countries in which BHP Billiton operates. He was Managing Director and Chief Executive Officer of Orica Limited from 2001 until September 2005, where he oversaw a global business that controlled interests in more than 45 countries. Prior to joining Orica, Mr Broomhead held a number of senior positions at North Limited, including Managing Director and Chief Executive Officer. Mr Broomhead is currently non-executive Chairman of Asciano Limited and a non-executive director of Coates Group Holdings Pty Ltd. Mr Broomhead is a member of the Group's Sustainability Committee.

The Board believes that Mr Broomhead's depth of senior management experience and knowledge of the mining industry is an attractive addition to the Board.

The Board recommends the election of Mr Broomhead.

Item 8

Carolyn Hewson AO, BEc (Hons), MA (Econ), FAICD, 55

Carolyn Hewson is a former investment banker and has over 25 years' experience in the finance sector. Ms Hewson was previously an executive director of Schroders Australia Limited and has extensive financial markets, risk management and investment management expertise. Ms Hewson is a non-executive director of Stockland Corporation Limited, Westpac Banking Corporation, BT Investment Management Limited, and previously served as a director on the boards of AMP Limited, CSR Limited, AGL Energy Limited, the Australian Gas Light Company, South Australia Water and the Economic Development Board of South Australia. Ms Hewson is a member of the Group's Risk and Audit Committee.

The Board believes that Ms Hewson's experience across a range of diversified industries with deep experience as a non-executive director is an asset to the Board.

The Board recommends the election of Ms Hewson.

Item 9

Reappointment of auditor of BHP Billiton Plc

The law in England requires shareholders to approve the appointment of a company's auditor each year. The appointment runs until the conclusion of the next Annual General Meeting. In addition, the law requires shareholders to either agree the remuneration of the auditor or authorise the company's directors to do so.

KPMG has acted as the sole auditor of BHP Billiton Limited and BHP Billiton Plc since December 2003. Prior to that, KPMG and PricewaterhouseCoopers acted as joint auditors.

The law in Australia does not allow for a similar annual reappointment of an auditor. A resolution to reappoint the auditor of BHP Billiton Limited has, therefore, not been proposed.

This item is regarded as a significant matter and is therefore a joint electorate action. It is proposed as an ordinary resolution.

Item 10

General authority to issue shares in BHP Billiton Plc

The purpose of this resolution is to renew the authority of the Directors to issue shares and other equity securities in BHP Billiton Plc.

The proposed limit is 555,966,656 shares, which:

- ▶ represents approximately 10 per cent of the total combined issued share capital of BHP Billiton Plc and BHP Billiton Limited (or 25.19 per cent of the total issued share capital of BHP Billiton Plc, excluding treasury shares) as at the date of this Notice;
- ▶ is considerably lower than the maximum limit (one third of issued share capital) specified in the guidelines of major shareholder associations in the United Kingdom: the Association of British Insurers and the National Association of Pension Funds; and
- ▶ is subject to the lower limit specified in Item 11 where shares are issued for cash on a non-pro rata basis.

This authority will expire at the conclusion of the BHP Billiton Annual General Meetings in 2011.

There are no present plans to issue shares other than in connection with employee share and incentive schemes. While the limit exceeds the number of shares that could be issued under the employee share schemes, the resolution is being proposed to ensure that the Directors have the capacity to finance business opportunities which may arise during the year.

No shares were issued under the similar authority granted by shareholders at last year's Annual General Meetings.

As at the date of this Notice of Meeting, BHP Billiton Plc holds 24,113,658 treasury shares being 1.09 per cent of the total issued share capital of BHP Billiton Plc (excluding treasury shares).

This item is regarded as a significant matter and must therefore be considered as a joint electorate action. It is proposed as an ordinary resolution.

Item 11

Issuing shares in BHP Billiton Plc for cash

The purpose of this resolution is to renew the authority of the Directors to issue shares and sell treasury shares in BHP Billiton Plc, for cash, without following the provisions in section 561 of the United Kingdom Companies Act 2006.

Paragraph (a) of Item 11 authorises the Board to issue shares and sell treasury shares for cash in connection with a rights issue or other pre-emptive offer.

Paragraph (b) of Item 11 authorises the Board to make other types of share issues (and sales of treasury shares) for cash – for example, placements to people who are not currently shareholders. However, this authority in paragraph (b) is limited to 111,556,060 shares, which:

- ▶ represents approximately two per cent of the total combined share capital of BHP Billiton Plc and BHP Billiton Limited (or five per cent of the total issued share capital of BHP Billiton Plc, including treasury shares) as at the date of this Notice; and
- ▶ is consistent with the guidelines of the United Kingdom's Pre-Emption Group, which reflect the views of the Association of British Insurers and the National Association of Pension Funds.

The Directors confirm their intention to follow the United Kingdom Pre-Emption Group's guidelines regarding cumulative usage of the paragraph (b) authority within a rolling three-year period, namely that cumulative usage in excess of 7.5 per cent within a rolling three-year period should not take place without prior consultation with shareholders.

The Directors did not use the equivalent authority granted by the shareholders at last year's Annual General Meetings.

This item is regarded as a significant matter and must therefore be considered as a joint electorate action. It is proposed as a special resolution.

Item 12

Repurchase of shares in BHP Billiton Plc (and cancellation of shares in BHP Billiton Plc purchased by BHP Billiton Limited)

The purpose of this resolution is to renew BHP Billiton Plc's authority to buy-back its own shares, in the market.

The authority conferred by this item will only be exercised if the Directors reactivate the buy-back program that was suspended on 14 December 2007, and only after considering the effects on earnings per share and the benefits for shareholders generally.

The Directors have no present intention to reactivate the buy-back program. If a decision to reactivate the buy-back program were made, the program could be implemented either by on-market buy-backs of shares in BHP Billiton Plc directly, or, alternatively, by a mechanism where BHP Billiton Limited purchases fully paid shares in BHP Billiton Plc on-market and then transfers those shares to BHP Billiton Plc for no consideration, following which BHP Billiton Plc would cancel those shares. This alternate mechanism would not have any different impact on the Group's cash, gearing or interest levels than a direct buy-back of its own shares by BHP Billiton Plc. Shareholders may note that in the past, a separate cancellation

resolution was proposed for approval at the Annual General Meetings. A cancellation resolution would not be required to implement this alternative mechanism; when an English company receives shares for no consideration, no shareholder resolution is required to cancel those shares. Accordingly, a cancellation resolution has not been proposed this year.

The Board wishes to maintain flexibility to pursue strategies that maximise the Group's value and this form of arrangement may be an attractive option in terms of the Group's capital management. However, the aggregate number of BHP Billiton Plc ordinary shares which would be acquired (whether by way of direct market purchases by BHP Billiton Plc or by way of this alternative mechanism) would not exceed the maximum number of BHP Billiton Plc ordinary shares for which the buy-back authority is sought under Item 12 and the same maximum and minimum prices would apply to any purchases of BHP Billiton Plc shares by BHP Billiton Limited which are transferred to BHP Billiton Plc for cancellation.

Item 12 seeks to renew the authority given to the Directors to buy-back BHP Billiton Plc shares at the 2009 Annual General Meetings for a further period, expiring at the conclusion of the BHP Billiton Annual General Meetings in 2011. Shareholders are asked to consent to the purchase by BHP Billiton Plc of up to a maximum of 223,112,120 ordinary shares, which represents 10 per cent of BHP Billiton Plc's issued share capital as at the date of this Notice of Meeting. The maximum price that may be paid for an ordinary share is 105 per cent of the average middle market quotation for the five business days preceding the purchase, and the minimum price that may be paid for any ordinary share is its nominal value of US\$0.50.

As at 6 September 2010, there were options and other awards under employee share plans outstanding to subscribe for 10,104,506 shares in BHP Billiton Plc. If exercised in full, these would represent 0.46 per cent of the issued share capital (excluding treasury shares) at the date of this Notice. If the authority to buy-back shares under Item 12 was exercised in full (or the maximum number of ordinary shares in respect of which the authority is given is acquired by the alternative mechanism described above, or by a combination of direct market purchases and the use of such mechanism), these options or other awards would, on exercise, represent 0.51 per cent of the issued share capital of BHP Billiton Plc (excluding treasury shares), net of the shares bought back.

The United Kingdom Companies Act 2006 enables companies in the United Kingdom to hold any of their own shares they have purchased as treasury shares with a view to possible resale at a future date, rather than cancelling them. BHP Billiton holds 24,113,658 ordinary shares in treasury. This provides BHP Billiton Plc with additional flexibility in the management of its capital base, enabling it either to sell treasury shares quickly and cost-effectively or to use the treasury shares to satisfy awards under BHP Billiton employee share schemes. Any shares acquired by BHP Billiton Plc under the alternative mechanism described above will not be treated as treasury shares.

This item is regarded as a significant matter and must therefore be considered as a joint electorate action. It is proposed as a special resolution.

Item 13

Remuneration Report

The Annual Report for the year ended 30 June 2010 contains a Remuneration Report, which sets out the remuneration policy for the Group and reports the remuneration arrangements in place for the executive Director, non-executive Directors and other Key Management Personnel. This meets requirements in the United Kingdom and Australia for disclosure of information on this topic. A copy of the Remuneration Report is set out in section 6 of the Annual Report and can also be found on the BHP Billiton website at www.bhpbilliton.com.

The current law in Australia and England makes it clear that the shareholder vote is advisory only and will not require BHP Billiton Limited or BHP Billiton Plc to alter any arrangements detailed in the Remuneration Report, should the resolution not be passed. Notwithstanding the current 'advisory' status of the vote on the Remuneration Report, the Board has previously determined that it will take the outcome of the vote into account when considering the Group's remuneration policy.

This item is regarded as a significant matter and is therefore a joint electorate action.

Item 14

Amendments to the Long Term Incentive Plan

The Long Term Incentive Plan (LTIP) was implemented following shareholder approval in 2004 and is an integral part of BHP Billiton's approach to competitive performance based remuneration. One of the key principles of the remuneration policy of the Group (set out in section 6 of the Annual Report) is to link a large component of pay to the Group's performance and the creation of value for shareholders. The LTIP is consistent with the Group's corporate objective and long-term nature of our business decisions. Awards are made to participants annually, in the form of Performance Shares which vest only after a five-year performance period if performance hurdles are met.

As there has been considerable change, both within the Group and in the external environment since 2004, the Remuneration Committee has undertaken a review of the LTIP and a number of changes are proposed to ensure that it continues to reward the achievement of sustainable long-term growth and the performance of the Group. The rationale and intended effect of these changes (including an overview of the proposed terms of grant to be made under the LTIP for FY2011) is outlined in more detail below. In conducting its review, the Remuneration Committee took advice from its independent expert, Kepler Associates, and consulted with major shareholders and shareholder advisory groups.

The amendments to the rules of the LTIP are proposed to ensure that the Remuneration Committee can implement its proposed changes to the terms of LTIP grants, and make those grants to GMC members (including to Mr Marius Kloppers – see Item 15) in FY2011. If shareholder approval is obtained for the proposed amendments to the LTIP rules, such amendments will be adopted by the Remuneration Committee for grants made in FY2011. The amendments will not apply retrospectively to any grants previously made. The terms proposed for the FY2011 grant would result in a higher Expected Value for each Performance Share. That higher Expected Value would

be taken into account by the Remuneration Committee when it determines the number of Performance Shares granted to Participants.

BHP Billiton Limited and BHP Billiton Plc operate separate, but substantially similar, LTIP rules. The terms of the rules of the BHP Billiton Limited LTIP and the BHP Billiton Plc LTIP are the same except where differences are required under the laws or practice of Australia and the United Kingdom respectively. These differences are not significant and references to the LTIP below should be construed as references to both of the LTIPs.

Shareholder approval is being sought for amendments to the rules of both the BHP Billiton Limited LTIP and the BHP Billiton Plc LTIP to enable the Remuneration Committee to implement its proposed changes to the terms of LTIP grants, and make those grants to GMC members (including to Mr Marius Kloppers – see Item 15) in FY2011. Only minor changes are required to be made to each of the LTIP rules for these purposes.

The proposed changes for which approval is sought include:

- ▶ an amendment to the definition of 'Comparator Group', to enable more than one comparator group to be used, and to provide flexibility to determine the most appropriate comparator group or groups in respect of each grant of Performance Shares made under the LTIP;
- ▶ an amendment to the definition of 'Median TSR' to accommodate the calculation of Total Shareholder Return (TSR) for different types of comparator group;
- ▶ changes to the 'Vesting Schedule' applying to the 'Performance Hurdle', to provide for partial vesting at 'Median TSR';
- ▶ inclusion of a new rule to enable the Remuneration Committee to adjust vesting or exercise of Performance Shares, or to determine that some Performance Shares are forfeited, if a Participant leaves the Group but owes an amount to a Group Company;

and other changes to assist with the administration and day-to-day operation of the LTIP, including amendments to provide greater flexibility to the Remuneration Committee as to when grants may be made and the number of Performance Shares granted to an individual employee in a year (previously restricted to being a fewer number than for Executive Directors), for example, to enable a grant to be made on commencement of employment to a key new executive, flexibility for the Remuneration Committee to determine whether an award will qualify for a Dividend Equivalent Payment, removing the requirement for Performance Shares to be exercised on a 'first in, first out basis', and other minor amendments to update statutory references, amend references to spouse to include a civil or de facto partner and their children, and amend or update various definitions and cross references.

In summary, the Remuneration Committee concluded that the LTIP remains appropriate to provide an effective balance between performance and reward, aligned with shareholder interests. The cornerstones of the LTIP are considered to be performance measured by relative TSR and the five-year performance period, and both of these key features will be retained.

At five years, the LTIP has a longer performance period than the plans of most other FTSE 100 and ASX 100 companies, though this aligns well with BHP Billiton's project life cycle. The Remuneration Committee therefore concluded that the current five-year performance period represents the best balance between project life cycles, executive engagement and encouraging long-term growth.

The changes proposed to the LTIP are considered appropriate refinements that seek to better align the LTIP to the Group strategy and the markets in which we operate. As described above, the proposed changes to the LTIP rules are designed to enable the Remuneration Committee to implement changes to the terms of the LTIP grants in FY2011. The proposed amendments to the LTIP grant terms and the rationale for change are as follows:

- ▶ Introduce partial (25 per cent) vesting at median. The current LTIP terms provide that no shares will vest where BHP Billiton's performance is equal to the peer group median. This, together with other design features results in a high likelihood for 'all or nothing' outcomes, which is not aligned to BHP Billiton's lower risk and diversified business strategy. Vesting of at least 25 per cent of the award at median is typical under long-term incentive plans for FTSE 100 and ASX 100 companies. It will assist in recruiting talent.
- ▶ Introduce a second TSR comparison based on a broad stock market index for assessing the Group's TSR performance. As BHP Billiton's TSR performance relative to its peers tends to be counter-cyclical, the current sector-based comparison leads to less perceived value for executives and potential recruits at times when recruitment and retention pressures are greatest. The Remuneration Committee believes that the proposed amendments will provide a fairer and more balanced measure of performance.
- ▶ Expand the sector-based comparator group to include major oil and gas companies, combined with the introduction of a cap to individual weightings to reduce sensitivity to the volatility of a single oil major or to industry consolidation.
- ▶ Double the length of the averaging period for starting and ending TSR from three to six months to further reduce the sensitivity of vesting to fluctuations in short-term price movements at the start and end of the measurement period.

Further detail of the proposed FY2011 grant terms (contrasted with the FY2010 grant terms) is contained in Appendix 1. A copy of the LTIP rules for each of the BHP Billiton Limited LTIP and the BHP Billiton Plc LTIP, marked to show the proposed amendments, are available on the Group's website at www.bhpbilliton.com and are available at the registered office of BHP Billiton Plc during normal business hours on any week day (excluding public holidays).

This item is regarded as a significant matter and must therefore be considered as a joint electorate action. It is proposed as an ordinary resolution.

Item 15

Approval of grants to executive Director

It is proposed that Mr Marius Kloppers who is an executive Director of BHP Billiton Limited and BHP Billiton Plc, be awarded securities under the Group Incentive Scheme (GIS) and the Long Term Incentive Plan (LTIP). Under the ASX Listing Rules, an issue of BHP Billiton Limited securities to Directors is required to be approved by shareholders. This requirement does not apply in respect of securities purchased on-market, and it is the Board's current intention that securities awarded under Item 15 will be acquired on-market. Nonetheless, the Board wishes to seek approval for the acquisition of securities under the GIS and the LTIP by the executive Director.

ASX Listing Rule 10.15 requires this Notice of Meeting to include the following information in relation to the Deferred Shares, Options and Performance Shares that may be granted to the executive Director under the terms of the GIS and the LTIP.

- (a) Award of GIS Deferred Shares/Options: It is not possible to specify a maximum number of Deferred Shares and Options which will be granted to Mr Kloppers, as this depends on the share price and exchange rate at the date of the grant, as well as any elections that Mr Kloppers makes as to whether to receive Options as an alternative to Deferred Shares. However, the maximum value of the Deferred Shares or Options that will be granted will be US\$2,330,527. This maximum value has been determined according to the formula that forms part of the GIS rules approved by shareholders at the 2008 Annual General Meetings. If awards were granted based on the share price and exchange rate as at 31 August 2010 (A\$37.05; and A\$1.1208 to US\$1.00) and a Black-Scholes pricing model valuing each Option at 25 per cent of a share, approximately 70,494 Deferred Shares or 281,976 Options would be granted after the Annual General Meetings. The actual number of Deferred Shares or Options granted will be dependent on the share price and exchange rate at the date of grant, as well as any elections that Mr Kloppers makes as to whether to receive Options as an alternative to Deferred Shares. Information on the GIS is set out in section 6 of the Annual Report, and the GIS rules are on the BHP Billiton website at www.bhpbilliton.com.
- (b) Award of LTIP Performance Shares: Again, it is not possible to specify a maximum number of Performance Shares which will be granted to Mr Kloppers.

The actual number of shares granted will be determined by the Board on the advice of the Remuneration Committee under the LTIP rules. If the changes to the LTIP proposed in Item 14 are approved by shareholders, the grant will be made under the LTIP rules, as amended. However, if Item 14 is not approved by shareholders, the grant is proposed to be made under the LTIP rules as they were approved by shareholders in 2004 (that is, the rules applicable prior to the changes proposed under Item 14). The Remuneration Committee is advised by independent advisers and will take into account the appropriate level of total remuneration, as assessed by reference to a number of factors, including the extent to which the total remuneration is market competitive and the likelihood that the LTIP performance conditions are met. The LTIP rules limit the maximum award to an Expected Value of two times base salary.

Explanatory Notes continued

The maximum number of Performance Shares able to be granted will be dependent on the share price and exchange rate as at the time of grant. If awards were granted based on Mr Kloppers' current base salary and the share price and exchange rate used above, the maximum number of Performance Shares able to be granted is set out in the table below.

Maximum* award under the existing LTIP rules	415,610
Maximum* award under the LTIP rules, as amended	314,392

*The maximum number of Performance Shares able to be granted will be dependent on the share price and exchange rate as at the time of grant. The final number of Performance Shares granted will also be subject to approval by the Board. Information on the LTIP is set out in section 6 of the Annual Report and each of the current LTIP rules and the LTIP rules as they are proposed to be amended are on the BHP Billiton website at www.bhpbilliton.com.

- (c) There is no cost to Mr Kloppers on the grant of Deferred Shares, Options or Performance Shares. The Deferred Shares and Performance Shares will not have an exercise price and accordingly do not raise capital. Options have an exercise price equal to the volume weighted average trading price of the ordinary shares over the five business days immediately prior to the award date. The capital raised through Options will be used as part of the working capital of the Group.
- (d) Mr Kloppers is the only Director (or associate of a Director) who received securities under the GIS and the LTIP pursuant to shareholder approval at the 2009 Annual General Meetings. The number of securities received (none of which had an acquisition price) is 46,951 Deferred Shares and 250,000 Performance Shares.
- (e) The name of the Director and his associates entitled to participate in the GIS and LTIP in 2010 is Mr Marius Kloppers.
- (f) In relation to the operation of the GIS and the LTIP for the current financial year, the Deferred Shares, Options and Performance Shares may be issued up to 16 November 2011. Underlying shares may be issued as a result of the exercise or award of the (i) Deferred Shares and Options from August 2012 to August 2015 and (ii) Performance Shares from August 2015 to August 2020.

This item is regarded as a significant matter and must therefore be considered as a joint electorate action. It is proposed as an ordinary resolution.

Items 16 and 17

Amendments to the Constitution of BHP Billiton Limited and the Articles of Association of BHP Billiton Plc

An explanation of the proposed amendments to the Constitution of BHP Billiton Limited and the Articles of Association of BHP Billiton Plc is set out in Appendix 2 to this Notice of Meeting. The changes are proposed predominantly to reflect company law changes in the UK, and insofar as is possible, to align the Constitution of BHP Billiton Limited and the Articles of Association of BHP Billiton Plc.

A copy of each of the Constitution of BHP Billiton Limited and the Articles of Association of BHP Billiton Plc showing the proposed amendments referred to in Appendix 2 to this Notice of Meeting is available either by contacting the Group's Company Secretariat on +61 3 9609 3292 (Australia) or +44 207 802 7708 (United Kingdom) or at www.bhpbilliton.com.

These items are regarded as significant matters and are therefore joint electorate actions. They are proposed as special resolutions.

By order of the Board

Appendix 1 – Comparison of Current and Proposed Long Term Incentive Grant Terms

Terms	LTI granted in FY2010 (granted in December 2009)	Proposed LTI terms for FY2011 (December 2010)
Duration of performance period	<ul style="list-style-type: none"> ▶ Five years. 	<ul style="list-style-type: none"> ▶ No change.
Performance measure	<ul style="list-style-type: none"> ▶ BHP Billiton's TSR relative to TSR of comparator companies. TSR measures the return delivered to shareholders over a certain period through the change in share price and any dividends provided (which are assumed to be reinvested in BHP Billiton shares for the purposes of the calculation). 	<ul style="list-style-type: none"> ▶ No change.
Averaging period for measuring TSR performance	<ul style="list-style-type: none"> ▶ TSR for BHP Billiton and for each of the peer companies is averaged over a three-month period to help ensure that short-term fluctuations in the market do not affect the vesting results. 	<ul style="list-style-type: none"> ▶ The averaging period will be doubled to six months as added security against short-term price fluctuations. This extended period will not come into effect until FY2012.
Comparator companies (Index)	<ul style="list-style-type: none"> ▶ Sector peer group. 	<ul style="list-style-type: none"> ▶ Sector peer group (determines vesting of 67% of the Performance Shares). ▶ Broad stock market group (determines vesting of 33% of the Performance Shares), being the Morgan Stanley Capital Index World – a market capitalisation index that monitors performance of 1,500 stocks from around the world.
Sector peer group composition	<ul style="list-style-type: none"> ▶ Weighted 75% to mining and 25% to oil and gas. 	<ul style="list-style-type: none"> ▶ No change to weightings. Current oil and gas component expanded to include major companies, with a cap and collar mechanism to reduce sensitivity to any single constituent company.
Vesting scale	<ul style="list-style-type: none"> ▶ For all Performance Shares to vest, BHP Billiton's TSR must exceed the Index TSR by an average of 5.5% per annum, which equates to exceeding the average TSR over the five-year performance period by more than 30%. ▶ No Performance Shares vest if BHP Billiton's TSR is at or below the Index TSR. ▶ Vesting occurs on a sliding scale between the two points described above. 	<ul style="list-style-type: none"> ▶ No change. ▶ 25% of the Performance Shares vest if BHP Billiton's TSR is at the Index TSR. ▶ No Performance Shares vest if BHP Billiton's TSR is below the Index TSR. ▶ No change.
Other vesting conditions	<ul style="list-style-type: none"> ▶ In the event that the Remuneration Committee does not consider the level of vesting that would otherwise apply based on the Group's achievement of the TSR hurdle to be a true reflection of the long-term financial performance of the Group, it retains the discretion to lapse some or all of a participant's Performance Shares. This is an important mitigator against the risk of unintended vesting outcomes. ▶ For grants made from FY2010, the Remuneration Committee also has the capacity to determine that vesting not be applied for any particular participant(s), should they consider that individual performance or other circumstances makes this an appropriate outcome. It is anticipated that this power would only be exercised in exceptional circumstances. 	<ul style="list-style-type: none"> ▶ No change. ▶ No change.
Retesting if performance hurdle not met	<ul style="list-style-type: none"> ▶ Not permitted. 	<ul style="list-style-type: none"> ▶ No change.

Terms	LTI granted in FY2010 (granted in December 2009)	Proposed LTI terms for FY2011 (December 2010)
Maximum award each financial year	<ul style="list-style-type: none"> ▶ An award not exceeding 200% of base salary at Expected Value. The Board determines an appropriate allocation for each individual each year. ▶ Expected Value is the outcome weighted by probability, and takes into account the difficulty of achieving performance conditions and the correlation between these and share price appreciation (through a Monte Carlo simulation model). The valuation methodology also takes into account other factors, including volatility and forfeiture risk (including through failure to meet the service conditions). ▶ Expected Value has been used because it enables the Remuneration Committee to determine LTI awards within target Total Remuneration, ensuring that awards are externally competitive (as described in section 6.3.1 of the Annual Report). ▶ The Expected Value of each Performance Share (as calculated by Kepler Associates) is 31% of the market value of one ordinary BHP Billiton Limited or BHP Billiton Plc share at the allocation date. 	<ul style="list-style-type: none"> ▶ No change. ▶ No change ▶ No change. ▶ The Expected Value of each Performance Share under the proposed LTIP has been calculated by Kepler Associates as 41% of the market value of one ordinary BHP Billiton Limited or BHP Billiton Plc share at the relevant time.
Exercise period and Expiry Date	<ul style="list-style-type: none"> ▶ Vested Performance Shares are able to be exercised for five years from the date that vesting is determined, with an Expiry Date at the date prior to the fifth anniversary of vesting. 	<ul style="list-style-type: none"> ▶ No change.
Treatment on departure	<ul style="list-style-type: none"> ▶ The Remuneration Committee regards it as an important principle that where a participant resigns without the Committee's consent or their employment is terminated for cause, they forfeit the entitlement to their unvested Performance Shares. ▶ The rules of the LTIP provide that should a participant cease employment in specific circumstances, such as retirement, and with the consent of the Committee, they would have a right to retain entitlements to a portion of the Performance Shares that have been granted, but that are not yet exercisable. The number of such Performance Shares would be pro-rated to reflect the period of service from the start of the relevant performance period to the date of departure and, after the employee's departure, would only vest and become exercisable to the extent that the performance hurdles are met. This ensures that any benefit received by the individual remains linked to their contribution to ongoing Group performance. ▶ If a participant's employment ends due to death or disability, the Remuneration Committee may choose to allow retention and immediate vesting of all of the participant's Performance Shares. 	<ul style="list-style-type: none"> ▶ No change. ▶ No change. ▶ No change.

Appendix 2 – Table of Amendments to Articles of Association/Constitution

Amendment	BHP Billiton Plc ('Plc') Articles of Association	BHP Billiton Limited ('Limited') Constitution
General (Removal of certain provisions of the Memorandum of Association)	Paragraphs 1 to 3 of the Memorandum of Association <ul style="list-style-type: none"> ▶ From 1 October 2009, paragraphs 1 to 6 of the Memorandum of Association (the 'Memorandum') were treated as part of the Articles of Association of Plc (the 'Plc Articles') by virtue of the UK Companies Act 2006. ▶ It is proposed to delete paragraphs 1 to 3 of the Memorandum from the Plc Articles. ▶ This amendment is proposed because, under the UK Companies Act 2006, these provisions are not required to be included in the Plc Articles. In addition, the changes are consistent with the Limited Constitution. 	N/A
General (Removal of the objects clause)	Paragraph 4 of the Memorandum of Association <ul style="list-style-type: none"> ▶ As noted above, from 1 October 2009, paragraph 4 of the Memorandum was treated as part of the Plc Articles. ▶ It is proposed to delete paragraph 4 of the Memorandum from the Plc Articles. ▶ This amendment is proposed because, under the UK Companies Act 2006, a company may have unrestricted objects unless specifically restricted by its articles of association. In addition, this change is consistent with the Limited Constitution. 	N/A
General (Limitation of liability)	Paragraph 5 of the Memorandum of Association Article 2A <ul style="list-style-type: none"> ▶ As noted above, from 1 October 2009, paragraph 5 of the Memorandum was treated as part of the Plc Articles. ▶ The limited liability statement contained in paragraph 5 of the Memorandum is included as a new Article 2A in the amended Plc Articles. 	N/A
General (Removal of authorised share capital)	Paragraph 6 of the Memorandum of Association Article 3 <ul style="list-style-type: none"> ▶ As noted above, from 1 October 2009, paragraph 6 of the Memorandum was treated as part of the Plc Articles, with the effect of limiting the number of shares Plc may issue. ▶ It is proposed to delete paragraph 6 of the Memorandum from the Plc Articles. ▶ This amendment is proposed because, following the implementation of the UK Companies Act 2006, the concept of authorised share capital has been abolished. ▶ Plc will continue to only be able to issue shares which have been authorised for issue by shareholders in accordance with the UK Companies Act 2006. 	N/A
Preliminary (Model articles not to apply)	Article 1 <ul style="list-style-type: none"> ▶ Following the implementation of the UK Companies Act 2006, new regulations relating to a company's articles of association ('model articles') have been issued in the UK. ▶ This amendment clarifies that the model articles will not apply to the Plc Articles. 	N/A
Definitions (Relating to UK Companies Act 2006)	Article 2(1) <ul style="list-style-type: none"> ▶ The defined term 'Companies Acts' is deleted and replaced with a new defined term: 'Companies Act'. ▶ This amendment is being made because the UK Companies Act 1985 no longer applies to Plc, which is now governed by the UK Companies Act 2006. ▶ Consequential amendments are proposed throughout the Plc Articles to reflect this change. 	N/A
Definitions (Company, Preferential Dividend and Securities Seal)	Article 2(1) <ul style="list-style-type: none"> ▶ The defined term 'Company' is included because reference to the Company name has been removed from the Memorandum (see above). ▶ The defined term 'Preferential Dividend' is included because it is used in a number of Articles. ▶ The defined term 'Securities Seal' is deleted because it is not used in the Plc Articles. 	N/A

Appendix 2 – Table of Amendments to Articles of Association/Constitution continued

Amendment	BHP Billiton Plc ('Plc') Articles of Association	BHP Billiton Limited ('Limited') Constitution
Definitions (ASX terminology)	N/A	Rule 2(1) <ul style="list-style-type: none"> ▶ Following the transfer of certain market supervisory powers to the Australian Securities and Investments Commission, the ASX has changed the names of several of its group licensees. ▶ It is proposed to amend the definitions of 'ASTC' and 'ASTC Settlement Rules' to reflect these changes. ▶ Consequential amendments are proposed throughout the Limited Constitution to reflect the new terminology.
Share rights	Articles 3, 5 and 6 <ul style="list-style-type: none"> ▶ As noted above, it is proposed to delete the existing Article 3 to reflect the fact that the concept of authorised share capital has been abolished by the UK Companies Act 2006. ▶ Consequential amendments are proposed throughout the Plc Articles to delete references to 'unissued shares' which relate to authorised share capital. ▶ It is proposed to include new Articles 3, 5 and 6 to describe the types of shares that Plc may issue, consistent with the Limited Constitution. ▶ A consequential amendment is proposed to the definitions to include a definition of 'Cumulative Preference Shares'. Note that the rights of holders of 'Cumulative Preference Shares' are already set out in existing Articles 61(2), 121(2)(a) and 144. 	N/A
Consolidation, sub-division and cancellation	Article 5 <ul style="list-style-type: none"> ▶ It is proposed to delete the existing Article 5. ▶ This amendment is proposed because, following the implementation of the UK Companies Act 2006, the Plc Articles are no longer required to specifically authorise consolidation or sub-division of shares to enable Plc to effect such action. ▶ A consolidation or sub-division must still be authorised by shareholders in accordance with the UK Companies Act 2006. ▶ In addition, the cancellation of unissued share capital no longer applies following the abolition of the concept of authorised share capital under the UK Companies Act 2006. 	N/A
Purchase of own shares	Article 6 <ul style="list-style-type: none"> ▶ It is proposed to delete the existing Article 6. ▶ This amendment is proposed because, following the implementation of the UK Companies Act 2006, the Plc Articles are no longer required to specifically authorise a purchase of own shares to effect such action. ▶ A purchase of own shares must still be authorised by shareholders in accordance with the UK Companies Act 2006. 	N/A
Reduction of capital	Article 7 <ul style="list-style-type: none"> ▶ It is proposed to delete the existing Article 7. ▶ This amendment is proposed because, following the implementation of the UK Companies Act 2006, the Plc Articles are no longer required to specifically authorise a reduction of capital to effect such action. ▶ A reduction of capital must still be authorised by shareholders in accordance with the UK Companies Act 2006. 	N/A

Amendment	BHP Billiton Plc ('Plc') Articles of Association	BHP Billiton Limited ('Limited') Constitution
Issue of securities	<p>Article 8</p> <ul style="list-style-type: none"> ▶ Reference to the issue of redeemable shares is included. ▶ This amendment clarifies that the Directors may issue redeemable shares, consistent with existing powers under Rule 7 of the Limited Constitution. 	<p>Rule 8</p> <ul style="list-style-type: none"> ▶ See adjacent column for explanation. ▶ Minor amendments proposed for the Limited Constitution to mirror drafting of the Plc Articles and consistent with existing powers under Rule 7 of the Limited Constitution.
Directors' statutory authorisation	<p>Article 9</p> <ul style="list-style-type: none"> ▶ It is proposed to delete the reference to unissued shares and instead refer to the issue of new shares. ▶ This amendment is a consequence of the abolition of the concept of authorised share capital (see above). 	N/A
Closure of Register	<p>Article 38</p> <ul style="list-style-type: none"> ▶ It is proposed to delete Article 38. ▶ This amendment is proposed because the power to close the Register which existed under the UK Companies Act 1985 has not been repeated in the UK Companies Act 2006 and is inconsistent with other provisions contained in the UK Companies Act 2006 in relation to Plc's obligation to update its Register. In addition, this change is consistent with the Limited Constitution. 	N/A
Length of notice for general meetings	<p>Article 46</p> <ul style="list-style-type: none"> ▶ It is proposed to delete the reference to prescribed notice periods and refer only to meetings being convened by such notice as may be required by law. ▶ Notice periods for the calling of a meeting are set out under the UK Companies Act 2006 and vary depending on the type of meeting and, in the case of a traded company (i.e. Plc), whether certain conditions have been met. ▶ In addition, it is proposed to delete reference to the ability to call meetings on shorter notice. This amendment is proposed because the right for a traded company (i.e. Plc) to call meetings on shorter notice has been abolished under the UK Companies Act 2006. 	N/A
Chairman's casting vote	<p>Article 55(5)</p> <ul style="list-style-type: none"> ▶ It is proposed to delete Article 55(5). ▶ This amendment is proposed because, under the UK Companies Act 2006, the chairman of a traded company (i.e. Plc) is not permitted to exercise a casting vote at a general meeting. 	<p>Rule 55(5)</p> <ul style="list-style-type: none"> ▶ See adjacent column for explanation. ▶ Similar amendments proposed for the Limited Constitution.
Validity of votes of proxies	<p>Article 69(1)</p> <ul style="list-style-type: none"> ▶ Article 69(1) is proposed to be amended following the change to the UK Companies Act 2006 which requires proxies to vote in accordance with the instructions of their appointor. ▶ In accordance with the UK's Institute of Chartered Secretaries and Administrators guidance, this amendment clarifies that Plc is not under any obligation to check that any vote given by a proxy or corporate representative is in accordance with the instructions of the appointor of such proxy or corporate representative. 	<p>Rule 69(1)</p> <ul style="list-style-type: none"> ▶ See adjacent column for explanation. ▶ Similar amendments proposed for the Limited Constitution.
Powers of the Board	<p>Article 103</p> <ul style="list-style-type: none"> ▶ Reference to the Memorandum is deleted. ▶ This amendment reflects the deletion of paragraphs 1 to 6 of the Memorandum and that, accordingly, the Memorandum now only contains information on the subscribers. 	<p>Rule 103</p> <ul style="list-style-type: none"> ▶ See adjacent column for explanation. ▶ Minor amendments proposed for the Limited Constitution to mirror drafting of the Plc Articles.
Typographical errors	<p>Various Articles</p> <ul style="list-style-type: none"> ▶ These amendments correct typographical errors in the Articles. ▶ These proposed amendments are minor in nature and do not affect any rights or responsibilities under the Plc Articles. 	<p>Various Rules</p> <ul style="list-style-type: none"> ▶ See adjacent column for explanation. ▶ Similar amendments proposed for the Limited Constitution.
