Forward-looking statements

This presentation contains forward looking statements, including trends in commodity prices, strategies and objectives of management, future performance and future opportunities.

These forward-looking statements are not guarantees or predictions of future performance, and involve known and unknown risks, uncertainties and other factors, many of which are beyond our control, and which may cause actual results to differ materially from those expressed in the statements contained in this presentation. Readers are cautioned not to put undue reliance on forward-looking statements.

Except as required by applicable regulations or by law, BHP Billiton does not undertake any obligation to publicly update or review any forward-looking statements whether as a result of new information or future events. Past performance cannot be relied on as a guide to future performance.

Non-IFRS financial information

BHP Billiton results are reported under International Financial Reporting Standards (IFRS) including Underlying EBIT and Underlying EBITDA which are used to measure segment performance. This presentation may also include certain non-IFRS measures including Underlying EBIT margin, Underlying EBITDA margin, Free cash flow and Net debt. These measures are used internally by management to assess the performance of our business, make decisions on the allocation of our resources and assess operational management. Non-IFRS measures have not been subject to audit or review and should not be considered as an indication of or alternative to an IFRS measure of profitability, financial performance or liquidity.

No offer of securities

Nothing in this presentation should be construed as either an offer to sell or a solicitation of an offer to buy or sell BHP Billiton securities in any jurisdiction, or be treated or relied upon as a recommendation or advice by BHP Billiton.

Reliance on third-party information

The views expressed in this presentation contain information that has been derived from publicly available sources that have not been independently verified. No representation or warranty is made as to the accuracy, completeness or reliability of the information. This presentation should not be relied upon as a recommendation or forecast by BHP Billiton.

No financial or investment advice - South Africa

BHP Billiton does not provide any financial or investment 'advice', as that term is defined in the South African Financial Advisory and Intermediary Services Act 37 of 2002, and we strongly recommend that you seek professional advice.

JOINT STATEMENT BY VALE AND BHP BILLITON

The below statement is attributable to the CEO of Vale, Murilo Ferreira, and the CEO of BHP Billiton, Andrew Mackenzie:

Together with Jimmy Wilson, BHP Billiton President Iron Ore and Peter Poppinga, Vale Executive Director, Ferrous Minerals, we spent this morning on site at the Samarco mine with CEO, Ricardo Vescori De Arraño. and meeting with community leaders.

Our immediate priority is to understand the full extent of the consequences of the tailings dam breach and how we can provide further help.

We visited the tailings dam complex, including the site of the failed Fundão dam and affected downstream Santarêm dam as well as the Germano dam which is being closely-monitored by Semarco.

We also met with the Samarco incident response teams and civil authorities who have worked tirelessly to evacuate the local community and search for missing people.

On behalf of all of the employees of Vale and BHP Billiton, we offer our profound sympathies to the family, friends and loved ones of the people who died as a result of this tragic incident. We are deeply concerned for the welfare of the employees, contractors and members of the local community who are still missing. Our thoughts are with you all in this distressing and uncertain time.

We were overcome when we saw the devastation in and around Bento Rodrigues. We cannot rebuild the lives of the families who have lost loved ones but we redouble our commitment to Samarco to support the response effort.

As an immediate step, Vale and BHP Billiton pledge to support Samarco in creating an Emergency Fund for rebuilding works and to help the affected families and communities. It is our intention to work with the authorities to one this fund functioning as soon as practicable.

Vale and BHP Billiton also have health, safety, environment and geotechnical experts onsite supporting Samarco's response. We have also had discussions with Samarco and authorities about the additional support we can provide. Investigations are continuing and

Again, as joint shareholders in Samarco, we would like to offer our sympathies and prayers to the people of Minas Gerais, Espírito Santo and the people of Brazil.

Samarco will provide further updates relating to the response and operations.

Murilo Ferreira Chief Executive Officer, Vale Andrew Mackenzie Chief Executive Officer, BHP Billiton As an immediate step, Vale and BHP Billiton pledge to support Samarco in creating an Emergency Fund for rebuilding works and to help the affected families and communities.
