

# DISCOVERING RESOURCEFUL MINDS REQUIRES GREAT PARTNERS

BHP Billiton is a global group applying knowledge and imagination to global resource opportunities.

We recognise that how we do things is every bit as important as what we do.

That's why the quality of our people is so important - because they are the key to our success.

But to attract the very best people we need the best possible support. For this reason, we've entered into preferred partner relationships with select recruitment organisations to work with our in-house recruiting staff across Australia. It is through this pool of talent that we will build our future - with confidence, with optimism and with the certainty of success.

Advertising suppliers Initiative Media & Beeley Callan Euro RSCG have been appointed by BHP Billiton Limited to handle its master media account and recruitment advertising respectively.
