Dear Caroline

Certification of the Subsidence Management Plan for BMA Goonyella Riverside and Broadmeadow Mine

This letter is provided to certify that the Subsidence Management Plan (SMP) produced by BHP Billiton Mitsubishi Alliance (BMA) for Goonyella Riverside and Broadmeadow Mine (Rev 2, 6 October 2015) meets the requirements of the conditions I1 to I11 of the Environmental Authority EPML00853413.

This certification is subject to the commitments contained in the SMP with regard to monitoring and mitigation measures being met. These commitments will need to be met to maintain compliance with Environmental Authority EPML00853413 conditions.

Sincerely
