Mining lease application documents

The application documents which consist of the Application for Mining Lease, copies of or extracts from the application documents, and the endorsed Certificate of Public Notice detailing the location and description of the land applied for (including surface area and access), may be downloaded from the Departments website <https://www.business.qld.gov.au/industries/mining-energy-water/resources/public-notices-tenders> or may be inspected at the Department of Natural Resources and Mines, Manufacturing and Regional and Rural Developments office – **Building E, 25 Yeppoon Road, Parkhurst QLD 4702** or may be obtained by contacting the local mines assessment hub on (07) 4936 0169.

Environmental authority documents

The application documents for the proposal consist of the following:

- **Application form;**
- **Saraji East Mining Lease Project Environmental Impact Statement (EIS) (August 2025)**
- **EIS Attachment 1 Supplementary Information (August 2025)**
- **EIS Attachment 1 Supplementary Information (October 2025)**
- **EIS Assessment Report (November 2025)**

Copies of, or extracts from, the application documents may be inspected or accessed at <https://environment.qld.gov.au/management/activities/non-mining/regulation/environmental-authority/current-ea-applications> or may be obtained by contacting Permit and Licence Management by phone on 1300 130 372 or by email on palm@detsi.qld.gov.au.

Making a properly made objection/ submission

It is advised that any person/entity may make an objection to the grant of the mining lease, and/or a submission about the application for the environmental authority. The **objection period**, during which objections can be given, concludes **Tuesday, 24 March 2026 at 4.30pm (AEST)**.

A properly made objection or submission must be received on or before 4.30pm (AEST) on the last day of the objection period. It must be lodged with the chief executive in writing in the approved form, addressed to the relevant Assessment Hub:

Coal Assessment Hub

Building E, 25 Yeppoon Road
Parkhurst QLD 4702
PO Box 3679, Red Hill QLD 4701
Email: CoalHub@nrmmrrd.qld.gov.au

A copy of the objection **must** also be served upon the applicant/s on or before 4:30pm (AEST) on the last day of the objection period at the following address:

BHP Coal Pty Ltd (principal applicant)
BHP Mitsubishi Alliance (BMA)
Attention: Lead Tenements (QLD)
GPO Box 1389
Brisbane QLD 4000
CoalCorporateAffairs@bhp.com

Objection for the mining lease application:

A properly made objection in respect to the grant of a mining lease is one that:

- is lodged on or before 4:30pm on the last objection day for the application with the chief executive in writing in the approved form;
- states the grounds of the objection and the facts and circumstances relied on in support of the grounds;
- is signed and dated by each person/entity (i.e. signatory) making the objection; and
- states the name and address of each signatory.

Intending objectors should obtain the approved objection form (MRA-20) by contacting the local mines assessment hub on (07) 4936 0169 or online from the department's website.

<https://www.business.qld.gov.au/industries/mining-energy-water/resources/applications-compliance/forms-fees>.

Submissions for the Environmental Authority application:

A properly made submission must meet all of the following requirements:

- be written or made electronically
- state the name and address of each submitter
- be made to the administering authority stated above
- be received on or before the last day of the submission period
- state the grounds of the submission and the facts and circumstances relied on in support of the grounds.

Intending submitters to the environmental authority may contact the Department of Environment, Tourism, Science and Innovation on **1300 130 372** to obtain a submission form or obtain a copy from the department's website [Submission form: Application or amendment application for an environmental authority / PRC plan / PRCP schedule \(ESR/2015/1617\)](#)

** This notice is issued under transitional provisions of the Mineral Resources Act section 829 – 'Certificates of application for a mining lease given before commencement'.*
