Summary

Introduction	OS shared the agenda for the meeting. OS explained its position that a national agreement is important to us. OS outlined proposals tabled will be considered through a lens of simplicity, maximising flexibility and choice for our employees, and enabling OS to remain cost competitive and continue to grow.
Questions / feedback on our proposed Agreement	The CFMMEU and AMWU advised that scope is a concern for them and they are seeking a QLD only agreement. The CFMMEU advised they are seeking a comprehensive agreement, but did not put forward details of specific proposals.
Bargaining representatives to present proposals	All union bargaining representatives advised they would not be in a position to present proposals to OS until late January 2021. No proposals were tabled.
Next meeting	The next meeting has been scheduled for 21 January 2021 in Brisbane. OS has requested bargaining representatives share their proposals in writing prior to this meeting.
