Requested Information Arising From Todays Bargaining

You forwarded this message on 17/02/2021 3:02 PM.

Hi Jessica,

As per our discussions at to today's OS maintenance agreement negotiations the AMWU request the following information be provided prior to our next meeting scheduled for March 10 for our consideration;

1. A copy of the Accident Pay policy that applies to OS maintenance employees
2. A detailed explanation of the existing Bonus scheme that applies to OS employees which includes a breakdown of how the current scheme works and how payment under that scheme is determined for individual OS maintenance employees. This would include the relevant KPI's that form part of the assessment process and the weight the specific KPI's hold when determining financial outcomes. Additionally we are seeking to understand what was delivered on average for the bonus scheme during the previous annual assessment.
3. A breakdown of what the proposed safety net agreement would deliver in terms of a dollar value. Specifically I am seeking the following information:
 - What 5% above the award represents as an hourly rate for maintenance workers
 - What 5% above the award represents financially in terms of the annualised salary based on current rosters worked in Qld coal mines where OS maintenance workers are deployed.
4. A copy of the OS handbook
5. All other policies referred to by you during today's discussions when responding to the various log items tabled by the unions and individual reps.
6. The number of OS maintenance employees covered by the proposed agreement in Qld currently undertaking FIFO arrangements
7. The number of OS maintenance employees covered by the proposed agreement currently residing in regional areas (Moranbah, Dysart, Blackwater etc...)

Looking forward to hearing from you.

Hi Jessica,

In addition to my earlier email can you also provide the AMWU the breakdown of the calculation used to determine the amount payable in the annual salary to compensate OS maintenance employees for working public holidays (clause 10 of proposed agreement).
