  o Proof of Bank Account (copy of voided cheque, deposit slip, bank statement or bank certificate dated within the last twelve months to support banking details).  
  o Supporting documents for diversity Categories, where applicable.  
  o Details of the organisation’s inclusion and diversity programs, if applicable. |
| How long will it take to complete the GCMS registration? | • Allow at least 30 minutes. |
| What type of information is requested in the GCMS Registration? | • Please note that in completing the BHP Registration Profile activation process, you may be asked to provide personal information. BHP will only collect and process such personal information where we have a legal basis for doing so and for business-related purposes, including negotiating, concluding and performing contracts, conducting clearance procedures, managing accounts and records, communicating with you and third party contacts, supporting corporate social responsibility activities and complying with our legal and regulatory obligations.  
BHP may also request certain sensitive information relating to your or your employees’ racial or ethnic origin, health, sexual orientation or similar information in order to inform and support our corporate sustainability, diversity and inclusion initiatives. Please note that this information will be collected on a voluntary basis only. If you do not wish BHP to record this information, please do not provide it to us. If you do provide it, you confirm that you have the appropriate consent of the individual data subject to whom the data relates to do so.  
For more information on how BHP will collect, use and manage personal information, please see the BHP Privacy Policy. |
| Will the information provided by my Organisation be shared with any third parties? | • BHP may share your information with certain third parties including the authorities (for example, to respond to a legal request or comply with a legal obligation), BHP’s advisors for the purposes of seeking legal or other professional advice and the provider of the GCMS software. Because BHP operates globally, we may also share the information you provide with any of our related entities worldwide. We will take steps to ensure that these third parties maintain the confidentiality of this information and are restricted from using it for any purpose other than the purpose for which it was shared with the third party. |
