8.2 A Contractor Reference Document or any Invoice provided by the Contractor must:

(a) be provided using an electronic invoicing system if the Company directs;

This does not limit the Company’s right to recover those amounts in other ways.

8.9 Any money payable under this Purchase Order is to be paid by electronic funds transfer to the Contractor’s nominated bank account or by such other means as the Parties agree.

8.10 A payment made pursuant to this Purchase Order will not be taken or construed as proof or admission that the Goods, Software or Services supplied or performed, or any part of the Goods, Software or Services supplied or performed, were to the satisfaction of the Company but will only be taken to be payment on account.
9. **TAXES**

9.1 Except where otherwise provided by Law, the Contractor must pay all Taxes to the relevant Authority. If the Contractor pays any Taxes on behalf of the Company, the Contractor must provide the Company with documentary evidence of the payment of those Taxes.

(a) authorises the Company to withhold or deduct the Withholding Amount; and

(b) acknowledges and agrees that when the Company pays the Withholding Amount to the relevant Authority, the Company is deemed to have paid an amount equal to the Withholding Amount to the Contractor. For the avoidance of doubt, the Company shall not be under any obligations to make payments of additional amounts (or "gross up") in respect of tax it has withheld or deducted from any payment to the Contractor,

and when the Company withholds or deducts that amount from any payment due to the Contractor, the Company must give the Contractor written notice of the Withholding Amount.

9.3 Where a relevant Authority requires the Company to pay to it a Withholding Amount that exceeds the amount that was withheld or deducted under clause 9.2, the Company may provide the Contractor with proof from the relevant Authority that payment is required, request the Contractor to pay and the Contractor:

(a) must pay the excess amount to the Company; and

(b) acknowledges and agrees that when the Company pays the Withholding Amount referred to in clause 9.3(a) to the relevant Authority, the Company is deemed to have paid an amount equal to the Withholding Amount to the Contractor. For the avoidance of doubt, the Company shall not be under any obligations to make payments of additional amounts (or "gross up") in respect of tax it has withheld or deducted from any payment to the Contractor or an amount referred to in this clause 9.3(b),

and if the Company withholds or deducts that amount from any payment due to the Contractor, the Company must give the Contractor written notice of the Withholding Amount.

9.6 The Consumption Tax treatment of a taxable supply or taxable transaction made by a Party (the supplier) to another Party (the recipient) under or in connection with this Purchase Order will be determined pursuant to the Consumption Tax Laws applicable in the jurisdiction where the taxable supply or taxable transaction for Consumption Tax purposes is deemed to take place. If Consumption Tax is payable by the supplier, the recipient will pay...
to the supplier an amount equal to the Consumption Tax at the rate applicable from time to
time provided that such amount will only be required to be paid:

(a) once the supplier provides the recipient with a valid Invoice (or if applicable, upon
the creation of a valid recipient created tax invoice) for Consumption Tax
(applicable in the jurisdiction) in relation to that amount; and

(b) if the Company is the recipient, where the Company is entitled to claim a refund or
credit for that amount under the applicable Consumption Tax Law.

9.7 In circumstances where an adjustment is required under the applicable Consumption Tax
Law, the Party which issued the Invoice or the recipient created tax invoice (as the case
may be) must promptly create an adjustment note for any overpayment or underpayment
of Consumption Tax and, where applicable, the supplier must apply to the relevant Authority
for a refund of any overpayment by the supplier of Consumption Tax. The supplier must
refund to the recipient any such overpayment. The recipient must pay the supplier an
amount equal to any underpayment of Consumption Tax.

9.8 If:

(a) a payment to satisfy a claim under or in connection with this Purchase Order (for
example, under an indemnity) gives rise to a liability to pay Consumption Tax then
the payer must pay, and indemnify the payee on demand against, the amount of
that Consumption Tax (subject to the issue of a valid tax invoice by the supplier to
the recipient or creation of a valid recipient created tax invoice by the recipient, as
the case may be, or documentation analogous thereto required under the
applicable Consumption Tax Law); and

(b) a Party has such a claim for a cost or expense on which that Party must pay or
has paid an amount on account of Consumption Tax, then the claim is for the cost
inclusive of Consumption Tax (except any Consumption Tax for which that Party,
or its representative member if the Party is a member of a Consumption Tax
group, can claim a refund or credit).

9.9 If there is any purchase or receipt of either or all of any
goods, software or services made
under, or in connection with, this Purchase Order in a State of the United States of America,
then the above clauses 9.6, 9.7 and 9.8 will not apply in respect of such and the following
replacement clause will apply instead:

“As allowed by law, the Contractor may collect Consumption Taxes imposed by
law on the Company’s payment of the Price, provided that the Contractor includes
a charge for such Consumption Taxes as a line item on the related invoice. The
Contractor shall not collect Consumption Taxes to the extent that the Company
provides documentation that the payment is for Goods, Software or Services that
are not subject to Consumption Taxes or that it is entitled to an exemption. The
Parties shall cooperate in minimizing Consumption Taxes under this Purchase
Order. The Contractor agrees to remit and report Consumption Taxes collected
from the Company to the appropriate Authority. The Contractor shall be solely
responsible for all penalty, interest, and additions to tax resulting from its failure to
properly and timely collect and remit Consumption Taxes and shall indemnify and
hold the Company harmless for any such penalty, interest, and additions to tax
imposed on the Company.”

9.10 If the Jurisdiction is India, or where the Jurisdiction is not India but there is a taxable supply
in India, as defined under the GST Law, then Clauses 7.5 to 7.8 above will not apply and the
terms set out in Schedule 1 to this Purchase Order will apply.

(a) Words and phrases defined in the GST Law shall have the same meaning in this clause, unless the context makes it clear that a different meaning is intended.

(b) Unless expressly stated otherwise, the consideration payable under this Contract is exclusive of applicable GST. The Company shall pay applicable GST to the Contractor subject to submission of a valid, original and duly signed Invoice issued by the Contractor in terms of GST Law. This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse charge.

(c) The Contractor shall raise the Invoice at the billing address provided by Company in the purchase order or as notified by Company in writing from time to time and shall accordingly determine the ‘place of supply’ pursuant to the GST Law.

(d) GST charged by the Contractor on the Invoices shall be final and no additional amount as GST, interest or penalty shall be claimed by the Contractor from the Company on account of the Contractor being subjected to any audit, scrutiny, assessment, recovery or any other proceedings. The Contractor is solely responsible for any such amounts.

(e) If the Company makes any Advance Payment to the Contractor, such payment should be treated as inclusive of GST and the Contractor shall be responsible for depositing the GST on Advance Payment with the government. The Contractor shall undertake all necessary compliances including issuance of receipt vouchers etc. as prescribed with respect to Advance Payment under the GST Law.

(f) If the Contractor’s GST registration number is not included in the Invoice, the Contractor will be deemed to be an unregistered person under the GST Law and the requirements of the GST Law applicable to taxable supplies by unregistered persons to registered persons will be complied with. It is specifically agreed between the Parties that no GST would be paid to the Contractor in such cases.

(g) With respect to the Price, the Contractor specifically agrees that:

   (i) It has passed on and undertakes to pass on to the Company all direct or indirect economic benefits that accrue or arise on account of introduction of the GST including as contemplated under the anti-profiteering provisions incorporated into the GST Law. The Company reserves its right to understand and seek the manner/mechanism in which such benefits are passed on to it and the Contractor agrees to provide any information as may be required by Company in this regard;

   (ii) The Contractor shall make all endeavours to ensure that its suppliers pass on all benefits arising out of introduction of GST Law including as contemplated under the anti-profiteering provisions incorporated in the relevant GST Law.

(h) The Contractor undertakes to indemnify, and keep indemnified, the Company from and against all losses (including loss of input tax credits), claims, proceedings, demands and actions of any nature, whether actual or threatened, made against the Company arising in connection with any failure by the Contractor to comply with relevant
obligations under GST Law including anti-profiteering obligations, mentioning incorrect particulars on the Invoice, failure to deposit GST with the government in timely manner, failure to file statutory returns in time, blacklisting or cancellation of registration of the Contractor.

(i) Any such indemnity amount recovered from the Contractor is exclusive of GST and any applicable GST will be recovered from the Contractor over and above such indemnity amount.

(j) If the Company disputes any Invoice and the payment of such Invoice remains pending for more than 180 days from the date of Invoice because no resolution is arrived at within 180 days, any interest payable by the Company to the government on account of reversal of input credits of GST shall be on account of the Contractor.

(k) Any debit note/credit note required to be issued by the Contractor on account of adjustment in Price must be issued in a timely manner as prescribed under GST Law. The Company shall not be responsible for any additional GST liability arising on account of delay in issuance of such debit/credit notes. Amount paid by the Company after such adjustment shall be deemed as full and final payment of the Invoice.

(l) If the Company is required under to GST Law to make any statutory deduction from amount payable under this Contract, the Company shall only be liable to make payment under this Contract net of such deductions. The Company shall issue a certificate to the Contractor with respect to such deduction in such time frame as may be prescribed under GST Law.

(m) The Contractor undertakes to notify the Company in writing immediately if the Contractor's GST compliance ratings fall below 5 at any point in time.

(n) The Company reserves its right to immediately terminate this Contract by notice in writing to the Contractor, if the Contractor has been blacklisted by any Authority appointed under GST Law or declared as non-compliant of anti-profiteering provisions under the GST Law.
