Summary

Introduction	OS shared the agenda for the meeting.
Actions from last meeting	<p>OS confirmed it had provided information following the previous bargaining meeting (see Appendix 4).</p> <p>OS explained its position on Award classifications for determining minimum rates of pay under the proposed Agreement (see Appendix 2). Bargaining representatives asked questions regarding Trades Assistants and Future Fit Academy graduates. OS confirmed:</p> <ul style="list-style-type: none">• Trade Assistants are non-trade classification• OS will provide details of the qualifications employees obtain at the Future Fit Academies• OS will confirm whether different qualifications would classify employees as trade or non-trade. <p>OS advised it would update the drafting of Clause 7 – Remuneration to incorporate the classification table and would share the updated proposed Agreement with bargaining representatives.</p> <p>The AMWU pressed their position on salaries being included in the Agreement and expressed concern regarding contractual rates of pay being reduced. OS reiterated that it cannot legally reduce an employee's contractual salary without their consent.</p>
OS responses to proposals	<p>OS restated its objectives of seeking to make a simple, safety net agreement for our national maintenance workforce. OS explained we are seeking an agreement that maximises flexibility and choice for our employees and will enable OS to remain cost competitive and continue to grow.</p> <p>OS provided feedback on the additional proposals received from bargaining representatives (see highlighted sections of Appendix 5).</p>
Discussions on proposals	<p>Discussions were held in relation to a number of specific proposals that had previously been tabled, including:</p> <ul style="list-style-type: none">• Issue resolution procedure• Inclement weather• Hours of work

Appendix 2 – OS' position on award classifications for determining minimum rates of pay under the proposed Agreement

For the purpose of the Above Award Guarantee in this Agreement only, the minimum award wage rate level upon which an individual Employee's Annual Salary will be based is as follows:

EA classification of Employee	Minimum award wage rate level	
	<i>Black Coal Mining Industry Award covered Employees</i>	<i>Mining Industry Award covered Employees</i>
Non Trades	Mine Worker	4
Trades (0-2 years trade qualified experience)	Mine Worker – Advanced	6
Trades (2+ years trade qualified experience)	Mine Worker - Specialised	7

This table does not apply to Apprentices and Trainees.

Appendix 3 – Proposals provided by Employee Bargaining Representatives

Hi again Jess

One thing I wanted to ask is if The company would look at their proposed salary rates. After some research last night I was able to find The current median salary for level 6 trades working in coal mining is Sitting at around \$144500. If the company is willing to take another look at the proposed annualised salary I have prepared some points below to take into consideration.

CPI:The CPI measures the average change in prices over time that consumers pay for a basket of goods and services, commonly known as inflation. Essentially it attempts to quantify the aggregate price level in an economy and thus measure the purchasing power of a country's unit of currency.

Australia CPI Growth is forecast-ed to be 1.343 % in Dec 2021 as reported by International Monetary Fund. It records an increase from the last reported number of 0.745 % in Dec 2020. Looking ahead, **Australia CPI** Growth is projected to stand at 2.422 % in Dec 2025.

RBA Cash Rate: Slashed to an all time low of .10% creates the uncertainty of when will it increase on the back of Australia's souring house prices and ultimately creating increased repayments for mortgage holders.

Private Health Cover: [From 1 April 2021](#), private health insurance will increase by a weighted industry average of 2.74%.

Many thanks

Subject: Re: (INTERNAL) Outstanding Bargaining Information

Hi jess further to discussions yesterday regarding good faith bargaining can I request copies of any records from bargaining meetings were the company has provided counters offer To proposals put forward by union representatives. I spoke with team members from Blackwater yesterday an one of the most common questions were

Why are Bhp conducting surveys or requesting feedback on the proposed ea When all they can see from records of meeting published on the Bhp website the company has turned down almost all proposals, when the Unions proposals are Consistent with majority of responses employees have been giving in the feedback surveys.

Also in relation to a dollar amount for employees to live locally, from current research the average Camp accomodation room in the Bowen basin is Around \$170 per night. So I propose employees who choose to live local be compensated at a rate of \$160 per shift. Saves the company around \$1800 per employee per annum who choose not utilise camp accomodation. It also could encourage employees to live local which benefits the communities bhp operates at. This will Also provide improvement to the Bhp HSEC policy.

Many thanks

Appendix 4 – Email correspondence to Bargaining Representatives regarding requests for information

Hi all

As requested at our last bargaining meeting, please see below the minimum EA salary (ie award + 5% under the 'above award guarantee') in the proposed Operations Services Maintenance Agreement for those who fall under the Mining Industry Award. The salaries have been provided for key rosters worked at our Western Australian deployments. We have provided indicative minimum EA salaries for all classifications, for the avoidance of doubt. Salaries include the industry allowance, first aid allowance and license allowance – electricians (trade only).

Appendix 5 - OS Maintenance Agreement Proposals & Responses

Proposals highlighted in yellow represent those responded to during the meeting on 6 May 2021. Responses to all other proposals were provided during previous meetings.

CFMMEU AMWU AWU	Clause 2 - Coverage	<p>CFMMEU A Coal Agreement for OS production and maintenance employees which covers and applies to:</p> <ul style="list-style-type: none"> • Employees who fall under Schedule A of the Black Coal Mining Industry Award • Unions • OS ACPM Pty Ltd & OS MCAP Pty Ltd <p>AMWU (QLD) Three separate agreements covering maintenance employees based in QLD, NSW and WA respectively & OS ACPM Pty Ltd.</p> <p>AMWU (WA) A WA specific agreement covering maintenance employees (excluding rail and port operations) & OS ACPM Pty Ltd.</p> <p>AWU Two separate agreements covering:</p> <ul style="list-style-type: none"> • Coal Maintenance • Metalliferous & other Non-Coal Maintenance • Covers OS employees engaged in maintenance • Covers relevant unions • Covers OS ACPM Pty Ltd 	<p>OS ACPM Pty Ltd has a national business model in maintenance works across Minerals Australia. We employ only maintenance employees. We want an Agreement for our workforce that covers our maintenance business across Australia and enables OS to provide consistency and certainty to our customers.</p> <p>Having multiple agreements would increase complexity and can reduce our flexibility, which could hinder our ability to win future work packages and/or keep existing scopes of work.</p> <p>Additionally, OS ACPM Pty Ltd and OS MCAP Pty Ltd are different business with different workforces and interests. The CFMMEU's proposed scope requires OS ACPM Pty Ltd to bargain for an agreement which includes classifications it does not employ and does not intend to employ. This significantly increases complexity for OS.</p> <p>For these reasons, OS does not accept any union proposal.</p>
CFMMEU	Clause 3 - Relationship with Other Instruments and the NES	<ul style="list-style-type: none"> • Override and replaces the BCMI Award and all other awards and instruments • NES to apply 	<p>The proposal simply confirms the operation of clause three of OS' proposed agreement. OS does not consider any further amendments are required as this is already clear.</p>

CFMMEU AWU	Clause 4 - Term of Agreement	CFMMEU <ul style="list-style-type: none"> Maximum 3 year term AWU <ul style="list-style-type: none"> Maximum 3 year term Requirement to commence bargaining 6 months before nominal expiry 	<p>OS has proposed a four year term Agreement as permitted by the <i>Fair Work Act 2009</i>. Additional requirements such as commencing bargaining prior to the agreement's nominal expiry date do not meet our objective of agreeing a simple, safety net Agreement with our employees.</p> <p>For these reasons, OS does not accept this proposal.</p>
CFMMEU AWU	Clause 5 - Types of Employment	CFMMEU – QLD <ul style="list-style-type: none"> FT – 35 ordinary hours per week averaged over roster cycle PT – works less than an average of 35hrs per week, averaged over roster cycle Received on a pro rata basis, equivalent pay and conditions to those of FT employees who do the same work PT employee's arrangements to be agreed in writing between the Co and the employee All time worked in excess of mutually agreed hours will be OT and paid for as per rates in OT clause (10) AWU <ul style="list-style-type: none"> FT – 35 ordinary hours per week PT – proportional benefits and pay based on 35 ordinary hrs per week Temporary – fixed term or specified task, no longer than 12 months 	<p>We believe the clause as currently drafted fairly reflects the industry conditions for OS' customers in accordance with our proposed scope for the Agreement and our current deployment locations. The clause as presently drafted does not leave any employee worse off compared to the reference awards – being the Black Coal Mining Industry Award and Mining Industry Award. To adopt the 35 ordinary hours across coal and non-coal operations may reduce OS' ability to be competitive in certain markets. Accordingly, OS does not accept this proposal.</p>
CFMMEU AMWU	Clause 6 - Duties	CFMMEU <ul style="list-style-type: none"> The Company will not allocate tasks in a manner which promotes deskilling Employees will undertake training aimed at maintaining and enhancing work skills & performance Where employees are required to temporarily work away from their ordinary location, all time spent outside 	<p>OS is committed to the training and development of its employees.</p> <p>The clause relating to deskilling is too broad and ambiguous. OS has commitments to its customers and it is important to retain the right to allocate work in the way it deems appropriate in order to meet its obligations to its customers and remain competitive.</p>

This business model is part of what makes OS so unique and successful. The inclusion of any further restrictions on this would limit our flexibility. Additionally, flexibility to move between deployments is a benefit many OS team members enjoy.</p> <p>Clause 6.4 of the proposed Agreement already provides that Apprentices and Trainees may be employed by the Company under the Agreement.</p> <p>For the reasons outlined above, OS does not accept this proposal.</p>
CFMMEU AWU	Clause 6.2 - Training	<p>CFMMEU</p> <ul style="list-style-type: none"> The Company shall provide relevant training and payment for the renewal of statutory licenses for all employees required to utilise these in the course of employment If an employee has to travel to attend training, the Company will provide <ul style="list-style-type: none"> a) transport, b) accommodation and meals, c) payment or TOIL; and d) payment or TOIL for travel time on RDO Where the Company requests or offers employees to undertake training outside of their normal shift, the employee will receive OT payment for the period of the training If training is conducted on a rostered shift, there will be no loss of pay for that day 	<p>We believe the current clause 6.2 of the proposed OS Agreement adequately covers the provision of, and support for, training. Where employees are requested to attend training for the purposes directly relevant to their employment, this will be managed on a case by case basis and in line with operational requirements.</p> <p>We do not consider that there is any requirement for the proposed agreement to be more prescriptive than already drafted. For this reason, OS does not accept this proposal.</p>

This reflects the size and scale of the OS business today and that we now work across several different locations on many different roster arrangements including part-time and job share arrangements. Attempting to capture all current arrangements would be too complex and may reduce flexibility (for both OS and OS employees) in the future.</p> <p>Minimum wage increases under the EA are guaranteed insofar as they will increase relative to the annual review of minimum rates by the Fair Work Commission.</p> <p>Employees can access their contract of employment to understand their individual salary and any applicable allowances including night shift loading that might apply.</p> <p>With reference to increasing the proposed salary rates, the proposed agreement provides for the minimum salary an employee may be paid. 		<ul style="list-style-type: none"> licensed electricians; and required to perform electrical work; and are required to hold and maintain an electrical license recognized by the Electrical Safety Office; and appointed by the Electrical Engineering Manager, <p>Shall be paid an Electrical Licence Allowance of \$2,000 per year.</p>	<p>currently paid to relevant OS employees provide compensation for any applicable tool allowance under a relevant award. If an employee does not have the required tools to perform their role, they should speak with their Superintendent.</p> <p>For these reasons, OS does not accept this proposal.</p>
ETU	Pandemic leave	<ul style="list-style-type: none"> In the event of a pandemic effecting the workplace (or an Employee/ or Employees of the workplace) and where the Employee/s cannot access the workplace for their rostered shifts, the Employee will have access to 10 days of Paid Pandemic Leave. This leave is not cumulative and does not come out of the Employee's accrued entitlements (Annual Leave, Personal/Carer's Leave etc.) and can only be accessed once the Employee has provided the sufficient evidence required. 	<p>This proposal would increase costs and limit our flexibility to respond to a pandemic depending on its unique circumstances. Throughout the course of the COVID-19 pandemic, OS responded in a way which provided support to employees that was more generous than required, including enabling employees deemed to be at high risk if they contracted COVID-19 to be absent from the workplace but paid as if they were at work for an extended period.</p> <p>We will continue to assess OS' response to the COVID-19 pandemic (or any pandemic) and the impact to employees as appropriate. This is in OS' interest to ensure business continuity in any event.</p> <p>For these reasons, OS does not accept this proposal.</p>
AWU	Income Protection	<ul style="list-style-type: none"> The Company will provide for an income protection scheme that provides employees with up to 52 weeks of salary continuance from the date of injury / illness at the employees normal salary plus bonus The income protection provisions can only be accessed after the employee has exhausted all personal leave entitlements The Company not to seek to remove itself from the relevant jurisdiction of the state workers compensation schemes where the Company operates 	<p>This proposal to provide for this type of insurance on behalf of Employees would significantly increase costs and put our competitiveness at significant risk.</p> <p>For these reasons, OS does not accept this proposal.</p>
